- (3) Except as specifically recognized by or provided in subsection (6) of this section, an owner of land owes no duty of care to keep the premises safe for entry or use by others for recreational purposes, or to give any warning of a dangerous condition, use, structure, or activity on the premises to persons entering for such purposes.

Corridors inventoried shall include both common carrier and private railroads, as well as railroads which may not have been attached to the interstate transportation system. Additionally, corridors over which service has been discontinued as well as corridors potentially subject to abandonment shall be analyzed as abandoned corridors. The department shall further digitize the route of the corridors into a readily available electronic form suitable for use with commercially available geographic information system software, preferably showing the route alongside other topographic features. In conducting the inventory, the department shall, for each corridor, attempt to ascertain the legal ownership status of the corridor and the date rail service over the rail corridor ceased together with the dates of formal abandonment, and make an examination of the physical integrity of the corridor, including the presence or lack of tunnels, bridges, and culverts. The department shall make its report to the Legislative Research Commission and the Rails to Trails Program Task Force created in Section 15 of this Act no later than July 1, 2001. The report shall be provided in both printed and electronic format, together with the underlying data. The task force shall report its findings and recommendations to the Legislative Research Commission by September 15, 2001.

BUDGET ADDRESS

BY GOVERNOR PAUL E. PATTON

TUESDAY, JANUARY 25, 2000 - 7:00 p.m.

President Williams, Speaker Richards, and members of the General Assembly, Justice Lambert and members of the Judiciary, Governor Henry and other members of the Executive, my fellow Kentuckians.

Once more I thank you for permitting me to come before you and the people of Kentucky to discuss issues which will determine our future. My topic tonight, the budget, the way we spend the people's money during the next two years, is the most important subject we'll debate during these next three months. The fact is, where we spend our money will show where our priorities are. The budget I'm presenting tonight shows that the priorities of my administration are education, our economy, our children, our safety, our farmers, our infrastructure and the health of our people. I'll not go into great detail tonight but this summary, and this printout of our capital expenditure proposals will allow you the legislators, and the press, and interested Kentuckians a good analysis of how we propose to start Kentucky off right in the 21st century. Additional copies are available through my office.

It's not been easy to put this budget together. It's the third budget our team has prepared and let me assure you that it's the most thoroughly considered of the three, and it's been the most difficult. Our staff has been working for months. I've been personally involved since early November. We've worked the past four weekends. We've worked early in the morning. We've worked late at night. We've brought in experts, we've done all that we know to do --- and we've come a long way. Let me assure you that this is a much better budget than I thought possible two months ago. The time has now come for us to act.

Fate has given us a great opportunity. As we stand at the threshold of a new century, we share the awesome responsibility of laying the foundation upon which the next hundred years of Kentucky history will be built.

And we're faced with a critical decision. Do we move forward boldly and continue a course that will build a stronger future for our children and grandchildren, --- or do we avoid the tough decisions as we've done so often in the past, and take the easy course. --- Should that be the path we follow, we will only fall further behind as the rest of the nation aggressively pursues the benefits of a new economy.

I've made my decision. I intend to forge ahead. The time has come for the people of Kentucky to make their decision through you. Tonight I'll lay out a plan that sets a bold course for the future. It will then be your responsibility to analyze our proposals, to consider carefully each of our recommendations and to do what's best for Kentucky. Should you not agree with our proposed course of action, offer a valid alternative. --- It's not responsible to just be against. Leaders have to produce results. Those who don't have responsibility can criticize. Those who have responsibility must lead. I would ask that you give just as thorough consideration to this entire package as we have --- before you decide its validity.

What you'll decide is not the future of the people in this room. It's the future of our children. ---

This is the third time we've had the opportunity to work together to prepare a budget.

Four years ago I led a new team as we faced the daunting task of putting together an administration, presenting an action agenda, and preparing a budget.

Faced with structural imbalances caused by tax cuts which had not been accompanied by corresponding reductions in spending, we presented you a very austere budget while we went about the business of improving the administration of state government. Our Empower Kentucky program has improved the efficiency of state government by over 300 million dollars that we can document, and has at the same time, improved services to our people in many ways.

As we learned the job and got the state's financial house in order, we began to address some of the serious problems facing the Commonwealth and we asked you to meet in extraordinary session three times during that first biennium.

As we approached the second biennium of our first term, we were fully prepared to move this state ahead. --- The '98 regular session of the Kentucky General Assembly was, in my opinion, and in the opinion of many students of state government, the most productive session in the past 20 years, excepting only the '90 session when the Kentucky Education Reform Act was adopted. --- Working together, we made a difference!!!

Working together as well as any governor and General Assembly has ever worked, we made improvements in the structure of KERA. We lived up to our commitments to postsecondary education. We implemented a model juvenile justice program --- and funded it. We enacted a comprehensive reform of our criminal justice system and six significant environmental initiatives. --- And we invested in the future, the infrastructure of our society; water, sewer, school buildings, college classrooms, community parks, roads, tourist attractions, golf courses, community centers and a host of other projects to make our communities more livable, and the future of our children more bright.

Yes, we had a good session in '98. Good for the people of Kentucky and good for us. Almost all of us were re-elected, some with little or no opposition. I'd never done that before and I like it!!!

Once more we've proven that good government makes good politics. The people of Kentucky saw what we'd done and they liked it. They expect us to work together. They disdain partisan bickering. We all lose when we do it. The people are a lot smarter than they're sometimes given credit for. They understand cooperation and they understand investment, and they appreciate both. They like to see their tax money being reinvested in their community, too. And I enjoyed going around Kentucky and sharing their joy. I think you did too.

Yes, '98 was a good session, and the past two years have seen Kentucky move ahead --- and people are taking note.

Everywhere I go in national education circles, Kentucky's the talk of the town. Whether it's KERA, and our leading edge classroom technology, or our commitment to postsecondary education with programs like Bucks for Brains and the Metropolitan College, which, by the way, was selected as the number one innovation in workforce development last year!!!

The programs of excellence at our comprehensive universities and the tremendous progress being made by our community and technical colleges are being recognized by those who understand what it takes to create a modern educational system that will serve the needs of a 21st century society. Yes, whatever the topic, Kentucky's right there at the top of the chart. --- It makes me proud to be the Governor of Kentucky.

But I'm proud to be Governor of Kentucky for many different reasons because we're receiving national attention in more than just education.

Judi's leadership on women's issues like spouse abuse or child sexual abuse, our Empower Kentucky initiative, the growth of our economy, our Virtual High School; all things we can be proud of. ---Kentucky's on the move and it's our job to keep it going that way!!!!

And that's the challenge we face; as a people, and as policymakers responsible for the future of 3.9 million people. And it all starts with the budget.

I've realized for a year that the unusual circumstances that we faced two years ago wouldn't greet us as we opened this session. I've tried to let you and the people of Kentucky know that it wasn't going to be that easy to move to the next level of achievement. I've let you know, not to prepare you and the people to slow down, but rather to prepare you for the tougher road ahead.

I've already faced it. --- I've realized what we have to do to live up to our commitments; --- our commitment to postsecondary education, --- our commitment to better roads, --- our commitment to keep Kentucky safe from crime, --- our commitment to grow our economy, --- our commitment to make Kentucky better!!!

I've also realized what it's going to take to live up to our responsibilities; --- our responsibilities to our very distressed farmers, --- our very young children, our very sick people. I realize that we're going to have to work even harder to move Kentucky towards the knowledge-based economy of the future and I realize that we have to start with the budget.

As to our society in general, we're making progress, but we continue to lag the nation in too many major indicators of quality of life including per capita income, health statistics and educational attainment. To make progress, we simply must invest in the vital components of a modern society.

Tomorrow, I'll lay out the details of a Tax Fairness and Equity Plan that will bring fairness to the individual's tax burden and equity to a number of areas of business taxation. It will also position Kentucky for the future by creating a more progressive tax system that will grow at a healthy rate with the new economy. It will allow us to pay for the things we need to keep our communities safe. It will allow us to provide basic social services and improve our infrastructure, like roads and water and community facilities, and it will allow us to pay for our education establishment, the most important responsibility of state government.

The foundation of our educational system is our common schools. That's why our proposed budget increases spending for them by 211 million dollars over the biennium in recurring commitments plus 92 million dollars for new school construction. These initiatives include increasing our minority recruitment program, a middle school demonstration network, and more funding for our gifted and talented program. Our budget includes over 23 million dollars to help our teachers improve their ability to meet the ever-increasing demands of the modern classroom, the most technologically advanced classrooms in the nation. --- Let me repeat that statement one more time. --- This little state of Kentucky, our state, our children, have the most technologically advanced classrooms in the nation!!! Think of that.

It makes me proud. And it should make you proud too, because it was your actions two years ago that made it happen, that extra 88.5 million dollars that you approved in our surplus expenditure plan has made the difference, and has given our kids an edge over all the other children in the nation. --- But that advantage won't last long. We have to keep moving, because this world's changing faster than ever before.

Your actions two years ago not only provided 109 million dollars for new school construction but it also promised 92 million more dollars for this biennium. That was a unique policy decision for us, and a good one. Our proposal this year funds that promise, and recommends that we promise another 100 million dollars for the next biennium. Let's not only have the best trained teachers in the nation and the most technologically advanced classrooms in the nation, let's have the safest, most efficient, most modern schools in the nation!!!

Let's show our pride in our state, our community, our children by having as a goal, the best common school system in America!!!

And we haven't forgotten our Area Technical schools, the schools that prepare our high school students for the world of work. For those operated by local school districts, we provide equity, --- 7.7 million dollars in fact, to move toward fully reimbursing them at the same rate it costs the state to provide the same instruction in the state-operated schools. And for those districts using state-operated schools, we're removing any impediment to the participation of all students in a career-oriented curriculum. We're including 5.7 million dollars so these districts won't lose money when their students decide to learn a trade or a skill. --- We've included 3 million dollars for new equipment. And 2 million more dollars for new computer technology. All this, preparing our high school students to be more productive workers for our businesses.

Our budget lives up to our commitment to our colleges and universities by fully funding the recommendations of the Council on Postsecondary Education, the largest dollar increase in funding in the system's history!!!

Not only do we fund the needs of our research universities, we provide a biennial increase of 48 million dollars so our comprehensive universities can better serve our people in all areas of the Commonwealth. Our community and technical colleges also receive the largest biennial increase in history, 32 million dollars. --- We've truly put our money where our mouth is. And it's working. House Bill 1 has worked better than I could have ever imagined. If we'll stay the course, we will not fail!!!

As KERA has become the symbol of excellence in our common schools, as House Bill 1 has become the symbol of our commitment to postsecondary education, let us make Senate Bill 1 our battle cry for adult education. President Williams, I appreciate your leadership on this issue. The 15 million new dollars in our budget fully funds the recommendations of the Task Force on Adult Education!!!

And let us pay equal attention to our youngest citizens. Our program for early childhood health, education and development will put Kentucky among the leaders in that field too. And 55% of the 55 million new dollars for this program will flow through our local health departments, strengthening these vital public agencies. Let it never be said of our administration, or of this General Assembly, or of the people of Kentucky, that we had the opportunity and we failed to seize the moment. Let us do what we know in our hearts is right. Let us provide for our youngest children!!!

Yes, this is an education budget. Education, education, education, education. The most important function of your state government and the centerpiece of our budget proposal. But this budget does more.

It does more in many ways but it really concentrates on improving the health of our people. We've heard the cry of our public health service and we've increased our support for county health departments so they can better prevent health problems before they occur, especially for our children. Our budget includes 16 million dollars in direct support to local health departments. In addition we propose 37 million dollars in new funding for programs to be administered by the health departments. --- We've given the health departments more responsibility, and the funds to fulfill their obligations!!!

And we've fulfilled our commitment to help our less fortunate mentally challenged citizens. Our recommendation will provide 65 million more dollars to support our community living programs and reduce the waiting list of people who need these services. We will take care of our special people!!!

We increase funding for Medicaid by an average of over 13 percent and health insurance for public employees by 19 percent over the biennium and we propose relief for citizens who purchase their health insurance in the individual market. The cost of healthcare is the number one concern of many Kentuckians and we've heard their voices. We're doing all we can, all the while realizing that Kentucky, acting alone, cannot solve this problem.

We intend to conduct an intensive program aimed at our juveniles to prevent substance abuse, but let's not be hypocritical about it. Let's also make it unlawful for children to use tobacco products just as it is for them to buy them. I call on this General Assembly to join me, let's get serious about stopping underage smoking!!!

And since we're the leader in the incidence of lung cancer, let's take the lead in finding a cure. Our proposal to make Kentucky the leader in research in this field is a major effort to recognize and address the fact that, if every person in Kentucky stopped smoking today, we'd still have to deal with the problems that have been caused during these past 60 years. Let's lead in finding a cure for this most deadly of all forms of cancer!!!

While we dissuade our children from using tobacco products, let's not forget the plight of our tobacco farmers. This is going to be a bad year on the family farm. We can and will help, but we can't solve the problems of a basic farm crop which is disappearing by making direct payments to farmers. We must give them the opportunity to move to a new product; --- not

piecemeal, but together. We've already discussed a plan to do that and I'll be elaborating on that plan in the near future.

As we consider the future of our original industry, agriculture, we must pay equal attention to our future industry, marketing the intellectual ability of our people; building a knowledge-based economy. And we can do it. We are doing it, in Louisville and Lexington and northern Kentucky. And we're doing it in rural Kentucky, too, in western Kentucky; and in eastern Kentucky.

Marketing the intellectual capital of our people. If that is our future, can we have any doubt about the wisdom of investing in the education of our children? Can we in any way even consider not making that investment? Surely not. Surely Kentucky won't approach a new century on the brink of greatness and once more falter. Not while I have the responsibility of leadership, not on my watch. I trust you will have the same resolve!!!

We must expand our efforts to build a knowledge-based economy and we, along with Speaker Richards, will be discussing that proposal with you in the very near future. Thank you, Speaker Richards, for your leadership in that area.

But as we look to the new knowledge-based economy, we can't abandon another industry in trouble, coal. We propose a very modest 5 million dollar commitment this biennium for a cost-sharing program to encourage investment in the mining of thin seam and high sulfur coal, the largest reserves in our state, another proposal we'll be talking more about in the near future.

And we cannot abandon our inner cities. We've already announced our plan to create economic opportunity zones in some of our metropolitan areas, and our budget includes 2 million dollars to invest in our inner cities for economic revival.

Our Renaissance Kentucky program will invest 12 million dollars in downtown revitalization and we'll be providing 24 million dollars to help our counties pay the cost of juvenile detention. --- This is a budget which allows our state government to partner with local governments to improve the lives of our people.

Improving and protecting the lives of our people, --- the very essence of government. That's why this budget funds 50 more state police officers, the first increase in 20 years. It provides 10 million more dollars for our public defender system, and 11 million more for services to our disadvantaged children, a 37.5 million dollars increase to operate our prisons, and 20 million more dollars each year to bring equity and adequacy to our state employee compensation system.

Let me pause to thank the employees of my office and of the Office for Policy and Management. It's been almost non-stop for 2 weeks, with dozens of them working all night or sleeping over at the office. We couldn't have produced this proposal without their dedicated work. I thank all of you!!!

As we invest in the intellectual capital of our people, we must continue to invest in the infrastructure of our communities. We must invest based on what we can afford. --- Two years ago we proposed a new investment policy, a policy of investing a set percent of our annual income in long-term capital. After communicating with bond rating agencies, the percentage we settled on was 6%, and that's about the average of the past 30 years but the most important part of that policy was to select a fixed percent of income to invest in the future, and stick with it as a firm commitment. If we're spending 94% of our current income on today's needs, I think it's entirely prudent, in fact the only responsible thing to do, to invest 6% in the future. Let it not be said of us, that we prospered on the infrastructure built and paid for by those who have come before us, and we failed to do the same for our children and grandchildren. Let us not do that!!!

This budget proposes to continue to invest 6 percent of our income in the future, \$935 million in new investment, mostly for the essential services for state government.

163 million dollars for new juvenile justice and corrections facilities

92 million dollars for new schools

227 million dollars for postsecondary education

63 million dollars in renovation and expansion of the State Capitol

210 million dollars for a variety of other critical needs of state government and

200 million dollars in the infrastructure of our communities - all our communities, large and small.

We've heard the pleas of Louisville, the economic engine that drives our economy, and we're proposing the largest state government investment in Jefferson County for community development in the history of the Commonwealth, over 49 million dollars!!!

It includes the state's final 12.5 million investment in the gateway to Kentucky, the Louisville Waterfront. 7 million for the Home of the Innocents, 3 million for the African-American History Museum, 5 million for the Louisville Medical Center, 4.6 million for Iroquois Park, and a host of other investments in our premier Metropolitan Center.

And this budget makes some promises too. It sets aside 10 million dollars as a promise to become a partner with the private sector, not just here in Kentucky, but around the world, to promote the legacy of Kentucky's most prominent living

citizen, Muhammad Ali. Muhammad and his wife, Lonnie are with us tonight and I'd like them to stand and be recognized.

I intend to promote the proposed facility on the Waterfront in Louisville, around the world as a learning center, not only for our children, but for children from all across America and around the world; a center where they can realize that if you have a dream, if you work hard, if you have courage, if you have vision, you can become something, somebody, a person of value. --- Hope, inspiration, energy, --- that's what the Muhammad Ali Center will be, and it'll be in Louisville, Kentucky. Our promise is, that when the private sector matches our commitment with 40 million dollars of support, we'll add another 10 million to the first 10 million and build a first-class facility that will make Kentucky a focal point for inspiring young people. That second 10 million dollars will be in the budget that I propose to you in 2002!!!

I'm asking you to make another commitment to Louisville and our statewide travel and tourism industry, the Kentucky Fair and Exposition Center. It's in Louisville, but it's the Kentucky Fair and Exposition Center, long a leader in large conventions and trade shows, a facility we all take pride in, and a facility we've just recently invested in, but another demonstration of why we here in Kentucky can't stand still. The rest of the nation is moving on. I'm proposing a 4 million dollar appropriation to design and begin preliminary work on a new 40 to 50 million dollar investment to keep that facility world-class and competitive. It may be that it'll take two more biennia to complete that modernization, just like I'm recommending that we take a phased approach to the very worthwhile plans of the Lexington community to expand and improve their convention facilities, including Rupp Arena!!!

I just can't squeeze 30 million dollars out of a 210 million dollar statewide community development initiative for this one project. I am recommending that we commit 15 million dollars now, and with the concurrence of the Fayette County delegation, I've committed to including another 15 million dollars in the budget I submit to you in 2002. One of the reasons I can't commit more to this project is that there are other needs in our second largest city, such as the needs of the Kentucky Horse Park, a monument to our signature industry. We propose 3.3 million dollars for improvements there. And just as we've proposed a specific project to improve the inner city of Louisville, we propose 1.7 million dollars for the Johnson Community Center in Lexington. We must serve all of our people!!!

We're continuing to support the growing economy of Northern Kentucky too. A major increase in support of postsecondary education in that area is accompanied by significant investments in other projects in several cities in the three-county region.

But there's a lot more to Kentucky than the Golden Triangle. From Paducah to Pikeville, we're recommending that we also invest in the rest of Kentucky. We recommend additional funding to complete several projects we participated in two years ago; a performing arts center in Paducah, a convention center in Hopkinsville, the Paramount Theater in Ashland, an exposition center in Pikeville, a rural health center in Hazard, a challenger learning center in Elizabethtown, an industrial park in Radcliff, a community center in Mount Sterling, an artisan center in Berea, a state office building in Winchester, a community center in Versailles, a science center in Prestonsburg, entire community development initiatives in Hindman and Jenkins, the Country Music Hall of Fame in Mount Vernon, the boat dock at Kentucky Dam Village, a technical college in Clinton County, and a host of other continuing commitments.

And some new projects, too. A new Capitol Arts Center in Bowling Green and help for the Owensboro Fine Arts Museum and the Owensboro Science and History Museum and a new area technical school in Lincoln County and the purchase of an existing building in Henderson; and a host of other state investments in every region of Kentucky, in every county of Kentucky. And let me repeat that, I'm recommending new state investment to improve the infrastructure of every county in Kentucky, from fire stations to playgrounds, from city halls to courthouses, from senior citizen centers to sewers and sidewalks, all things that you, the representatives of the people, have said your people need, and that you want the state's help on.

And water. Water, water everywhere and lots of water to drink. And to bathe, and to cook, and to wash clothes and water lawns, and fill swimming pools and carry on industry and to give all our people one of the basic necessities of life, a plentiful supply of clean safe, affordable water. I said it three weeks ago and I'll say it again tonight, water isn't a great big thing unless you don't happen to have any, and then it can be a matter of life or death. --- 10% of our fellow Kentuckians don't have a good supply of water: and we're going to change that!!!

Over 200 million dollars invested in water and sewer, the largest such commitment ever in the history of Kentucky. A major step on our path to provide water to every Kentuckian in 20 years.

And roads. Our proposal includes a new program financed by 1 cent of the gasoline tax to help those counties that need the most help with paving their rural roads. The new Roads for the 21st Century funds will be distributed, not at the discretion of the Governor, but rather by a very precise formula based on the miles of unpaved roads in a county.

So Caldwell County, with 86 percent of its county roads unpaved, will get an estimated 627,103 dollars a year to pave their 265 miles of gravel roads. At a cost of \$50,000 a mile, that'll be 12.5 miles a year. In less than 16 years Caldwell County will have 80 percent of their roads paved instead of 86 percent unpaved.

Let's look at Pulaski County with 1,076 miles of unpaved roads, 76% of their 1,412 mile county road system. As well as Pulaski County's doing, they'll never get the job done. The \$2,451,572 a year that Pulaski County will get under this program

will pave 51 miles of gravel roads a year. This program will benefit the 76 counties in Kentucky that need the most help.

Grayson County gets \$1,204,000 a year.

Perry County \$1,009,000

McCreary County \$848,000

Allen County \$796,000

Breckinridge County \$735,000

Ohio County \$711,000

Morgan County \$682,000

Adair County \$665,000

Letcher County \$654,000

Jackson County \$642,000

Leslie County \$627,000

Casey County \$619,000

Clay County \$606,000

Magoffin County - \$602,000

Butler County - \$596,000

Monroe County - \$563,000

Knox County - \$552,000

Greenup County - \$543,000

Carter County - \$525,000 a year, every year.

And 55 other counties that need special help. Gravel roads are a relic of the 19th century. There's no room for them in the new Kentucky. Let's help all of our people live in the 21st century!!!

To the people of Kentucky watching tonight, I call on you to get involved. Your representatives here in the General Assembly will respond to your wishes, if only you let them know that you want a state government that can meet the needs of our people in the 21st century.

We have the 8th lowest tax burden in the nation. Do we want to be the 8th worst state?

There's no way our outmoded tax system can support a modern state government, a good school system, our colleges and universities, the basic services our people need, a quality road system, the necessities of modern life. If our goal is to have the lowest tax rate in the nation, then let's close half our prisons. Let's make people pay all the cost of their college education. Let's not put computers in our classrooms. Let's not improve our roads. Let's slowly sink to the bottom. --- Make no mistake about it. I can write a budget that doesn't require a change in our tax code. It just wouldn't be a budget that would move Kentucky forward.

It wouldn't be a budget I could support. If you want the kind of Kentucky I want, call your legislator and support our vision for 21st century Kentucky!!!

As we look to the future, as we try to move this state forward, we simply cannot afford *not* to fund the initiatives that we've proposed.

This is a budget for all Kentucky, for every Kentuckian, for the future of every Kentuckian to come.

Our honored guest tonight, Muhammad Ali, has been a tremendous source of pride for our state.

We're honored by your presence. You're an international hero. You're an American hero, a Kentucky hero!!! God be with you!!!

And Kentucky continues to produce heroes... in fact, last year was a remarkable year for young Kentuckians achieving national and international recognition.

Heather Renee French from Maysville was named Miss America.

Michael Lanham, a 19-year old from Gravel Switch and a student at Centre College was named a Rhodes Scholar.

Hyden's Tim Couch was the number one draft pick for the NFL.

And Tori Murden-McClure, from Louisville, was the first woman ever to row solo across the Atlantic.

If these young Kentuckians are the future of our state, then the future is indeed bright. People in every corner of the Commonwealth have watched with pride as individuals like Muhammad Ali and these young Kentucky heroes have become symbols of the American dream. They stand as reminders that every Kentuckian has the potential to be a hero if only we give them the opportunity. What each of these individuals have in common is a foundation in the values that have been this state's greatest strength. A commitment to family, a special spirit of determination to succeed, a pride in individual accomplishment.

It is to that special Kentucky spirit that we must dedicate our efforts in these coming weeks. We must never lose sight of the fact that this budget impacts the lives and the dreams of our people and their children. Their futures are in our hands as we lay the foundation for the next 100 years. Let us not be found wanting.

Good night. God bless you.

Representative Stumbo moved that the Joint Session of the House and Senate be dissolved. Agreed.

The Speaker resumed the chair.

Public school funds made available to the credit of each district during any year shall be received, held, and expended by the district board, subject to the provisions of law and administrative regulations of the Kentucky Board of Education. The following

restrictions shall govern the expenditure of funds from the public school fund:

- (1) The salary paid any rank of teachers shall be at least equivalent to the amount set forth in the biennial budget schedule for each rank and experience for a term of one hundred eighty-five (185) days for full-time service during the regular school year.
- (2) The Kentucky Board of Education shall not approve any working budget or salary schedule for local boards of education for any school year unless the one hundred eighty-five (185) day salary schedule for certified staff has been adjusted over the previous year's salary schedule by the lesser of:
 - (a) The percent increase in the average annual consumer price index for all urban consumers between the two (2) most recent calendar years, as published by the United States Bureau of Labor Statistics and stated in the statutory budget memorandum and the biennial budget report; or
 - (b) The percent increase of the base funding level in the program for support education excellence in Kentucky as defined in KRS 157.320.
- (3) A district that compensates its teachers or employees for unused sick leave at the time of retirement, pursuant to KRS 161.155, may create an escrow account to maintain the amount of funds necessary to pay teachers or employees who qualify for receipt of the benefit. The fund is limited to not more than fifty percent (50%) of the maximum liability for the current year to be determined according to the number of staff employed by the district on September 15. Interest generated by the account shall be calculated as part of the total amount. The funds shall not be used for any purpose other than compensation for unused sick leave at the time of retirement and shall not be considered as part of the general fund balance in determining available local revenue for purposes of KRS 157.620.
- (4) (a) The per pupil capital outlay allotment for each district from the public school fund and from local sources shall be kept in a separate account and may be used by the district only for capital outlay projects approved by the chief state school officer in accordance with requirements of law, and based on a survey made in accordance with administrative regulations of the Kentucky Board of Education. These funds shall be used for the following capital outlay purposes:
 1. ~~(a)~~ For direct payment of construction costs;
 2. ~~(b)~~ For debt service on voted and funding bonds;
 3. ~~(c)~~ For payment or lease-rental agreements under which the board eventually will acquire ownership of a school plant;
 4. ~~(d)~~ For the retirement of any deficit resulting from overexpenditure for capital construction, if such deficit resulted from an emergency declared by the Kentucky Board of Education under KRS 160.550; and
 5. ~~(e)~~ As a reserve fund for the above-named purposes, to be carried forward in ensuing budgets.

(b) *Notwithstanding any other provision to the contrary, capital outlay funds may be expended by each district to comply with Sections 1 to 5 of this Act without regard to the district's categorical priorities listed in the approved facilities plan.*
- (5) The district may contribute capital outlay funds for energy conservation measures under guaranteed energy savings contracts pursuant to KRS 45A.345, 45A.352, and 45A.353. Use of these funds, provided in KRS 45A.353, 56.774, and 58.600, shall be based on the following:
 - (a) The energy conservation measures shall include facility alteration;
 - (b) The energy conservation measures shall be identified in the district's approved facility plan;
 - (c) The current facility systems are consuming excess maintenance and operating costs;
 - (d) The savings generated by the energy conservation measures are guaranteed;
 - (e) The capital outlay funds contributed to the energy conservation measures shall be defined as capital cost avoidance as provided in KRS 45A.345(2) and shall be subject to the restrictions on usage as specified in KRS 45A.352(9); and
 - (f) The equipment that is replaced shall have exceeded its useful life as determined by a life-cycle cost analysis.
- (6) If any district has a special levy for capital outlay or debt service that is equal to the capital outlay allotment or a proportionate fraction thereof, and spends the proceeds of that levy for the above-named purposes, the chief state school officer under administrative regulations of the Kentucky Board of Education, may authorize the district to use all or a proportionate fraction of its capital outlay allotment for current expenses. However, a district which uses capital outlay funds for current expenses shall not be eligible to participate in the School Facilities Construction Commission funds.
- (7) If a survey shows that a school district has no capital outlay needs as shown in ~~paragraphs (a), (b), (c), and (d) of~~ subsection (4)(a) of this section, upon approval of the chief state school officer, these funds may be used for school plant maintenance, repair, insurance on buildings, replacement of equipment, purchase of school buses, and the purchase of modern technological equipment, including telecommunications hardware, televisions, computers, and other technological hardware to be utilized for educational purposes only.

2000 Regular Session

- (8) In surveying the schools, the Department of Education shall designate each school facility as a permanent, functional, or transitional center.
- (a) "Permanent center" means a center which meets the program standards approved by the Kentucky Board of Education, is located so that students are not subjected to an excessive amount of time being transported to the site, and has established an attendance area which will maintain enrollment at capacity but will also avoid overcrowding.
 - (b) "Functional center" means a center which does not meet all the criteria established for a permanent facility, but is adequate to meet accreditation program standards to insure no substantial academic or building deficiency. The facility plan shall include additions and renovations necessary to meet current accreditation standards for which federal, state, and local funds may be used.
 - (c) "Transitional center" means a center which the local board of education has determined shall no longer be designated permanent or functional. The center shall be destined to be closed and shall not be eligible for new construction, additions, or major renovation. However, the board of education shall maintain any operating transitional center to provide a safe and healthy environment for students.
- (9) If a local school board authorized elementary, middle, or secondary education classes in a facility of a historical settlement school on January 1, 1994, the board shall continue to use the facilities provided by the settlement school if the facilities meet health and safety standards for education facilities as required by administrative regulations. The local school board and the governing body of the settlement school shall enter into a cooperative agreement that delineates the role, responsibilities, and financial obligations for each party.

Section 8. KRS 157.440 is amended to read as follows:

- (1) (a) Notwithstanding any statutory provisions to the contrary, effective for school years beginning after July 1, 1990, the board of education of each school district may levy an equivalent tax rate as defined in subsection (12)(a) of KRS 160.470 which will produce up to fifteen percent (15%) of those revenues guaranteed by the program to support education excellence in Kentucky. The levy for the 1990-91 school year shall be made no later than October 1, 1989, and no later than October 1, 1990, for the 1991-92 school year, and by October 1 of each odd-numbered year thereafter. Effective with the 1990-91 school year, revenue generated by this levy shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment.
- (b) To participate in the Facilities Support Program of Kentucky, the board of education of each school district shall commit at least an equivalent tax rate of five cents (\$0.05) to debt service, new facilities, or major renovations of existing school facilities. The five cents (\$0.05) shall be in addition to the thirty cents (\$0.30) required by KRS 160.470(12) and any levy pursuant to paragraph (a) of this subsection. The levy shall be made no later than October 1 of each odd-numbered year. Eligibility for equalization funds for the biennium shall be based on the district funds committed to debt service on that date. The five cents (\$0.05) shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment. The equalization funds shall be committed to debt service to the greatest extent possible, but any excess equalization funds not needed for debt service shall be deposited to a restricted building fund account. The funds may be escrowed for future debt service or used to address categorical priorities listed in the approved facilities plan pursuant to KRS 157.420. **Notwithstanding any other provision to the contrary, the board of education of each school district may commit the funds toward expenses necessary to comply with Sections 1 to 5 of this Act without regard to the district's categorical priorities listed in the approved facilities plan.**
- (c) The board of education of each school district may contribute the levy equivalent tax rate of five cents (\$0.05) and equalization funds for energy conservation measures under guaranteed energy savings contracts pursuant to KRS 45A.345, 45A.352, and 45A.353. Use of these funds, as provided under KRS 45A.353, 56.774, and 58.600 shall be based on the following guidelines:
 1. Energy conservation measures shall include facility alteration;
 2. Energy conservation measures shall be identified in the district's approved facility plan pursuant to KRS 157.420;
 3. The current facility systems are consuming excess maintenance and operating costs;
 4. The savings generated by the energy conservation measures are guaranteed;
 5. The levy equivalent tax rate of five cents (\$0.05) and equalization funds contributed to the energy conservation measures shall be defined as capital cost avoidance as provided in KRS 45A.345(2) and shall be subject to the restrictions on usage as specified in KRS 45A.352(9); and
 6. The equipment that is replaced has exceeded its useful life as determined by a life cycle cost analysis.
- (d) The rate levied by a district board of education under the provisions of this subsection shall not be subject to the public hearing provisions of KRS 160.470(10) or to the recall provisions of KRS 160.470(11).
- (e) A school district which is at or above the equivalent tax rates permitted under the provisions of the Kentucky

Education Reform Act of 1990, 1990 Ky. Acts ch. 476, shall not be required to levy an equivalent tax rate which is lower than the rate levied during the 1989-90 school year.

- (2) (a) A district may exceed the maximum provided by subsection (2) of KRS 160.470 provided that, upon request of the board of education of the district, the county board of elections shall submit to the qualified voters of the district, in the manner of submitting and voting as prescribed in paragraph (b) of this subsection, the question whether a rate which would produce revenues in excess of the maximum provided by subsection (2) of KRS 160.470 shall be levied. The rate that may be levied under this section may produce revenue up to no more than thirty percent (30%) of the revenue guaranteed by the program to support education excellence in Kentucky plus the revenue produced by the tax authorized by this section. Revenue produced by this levy shall not be equalized with state funds. If a majority of those voting on the question favor the increased rate, the tax levying authority shall, when the next tax rate for the district is fixed, levy a rate not to exceed the rate authorized by the voters.
- (b) The election shall be held not less than fifteen (15) or more than thirty (30) days from the time the request of the board is filed with the county clerk, and reasonable notice of the election shall be given. The election shall be conducted and carried out in the school district in all respects as required by the general election laws and shall be held by the same officers as required by the general election laws. The expense of the election shall be borne by the school district.
- (3) For the 1966 tax year and for all subsequent years for levies which were approved prior to December 8, 1965, no district board of education shall levy a tax at a rate under the provisions of this section which exceeds the compensating tax rate as defined in KRS 132.010, except as provided in subsection (4) of this section and except that a rate which has been approved by the voters under this section but which was not levied by the district board of education in 1965 may be levied after it has been reduced to the compensating tax rate as defined in KRS 132.010, and except that in any school district where the rate levied in 1965 was less than the maximum rate which had been approved by the voters, the compensating tax rate shall be computed and may be levied as though the maximum approved rate had been levied in 1965 and the amount of revenue which would have been produced from such maximum levy had been derived therefrom.
- (4) Notwithstanding the limitations contained in subsection (3) of this section, no tax rate shall be set lower than that necessary to provide such funds as are required to meet principal and interest payments on outstanding bonded indebtedness and payments of rentals in connection with any outstanding school revenue bonds issued under the provisions of KRS Chapter 162.
- (5) The chief state school officer shall certify the compensating tax rate to the levying authorities."

HB 12, AN ACT relating to employment.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 337.420 TO 337.433 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds and declares that:

(a) Despite federal and state laws banning discrimination in employment and pay, in both the private and public sector, wage differentials persist between women and men and between minorities and nonminorities, in the

same jobs, and in jobs that are dissimilar but that require equivalent composites of skill, effort, responsibility and working conditions;

(b) The existence of wage differentials:

1. Depresses wages and living standards for employees necessary for their health and efficiency;
2. Reduces family incomes and contributes to the higher poverty rates among female-headed and minority households;
3. Prevents the maximum utilization of the available labor resources;
4. Tends to cause labor disputes, thereby burdening, affecting, and obstructing commerce;
5. Constitutes an unfair method of competition; and
6. Violates states public policy against discrimination;

(c) Discrimination in wage-setting practices has played a role in depressing wages for women and minorities generally;

(d) Many individuals work in occupations that are dominated by individuals of their same sex, race, or national origin, and discrimination in hiring, job assignment and promotion has played a role in establishing and maintaining segregated work forces;

(e) Eliminating discrimination in compensation based on sex, race, and national origin would have positive effects, including:

1. Providing a solution to problems in the economy created by discriminatory wage differentials;
2. Reducing the number of working women and people of color earning low wages, thereby lowering their incidence of poverty during normal working years and in retirement; and
3. Promoting stable families by raising family incomes.

(2) It is the purpose of KRS 37.420 to 337.433 to correct and as rapidly as practicable to eliminate discriminatory wage practices based on sex, race, or national origin.

Section 2. KRS 337.420 is amended to read as follows:

- (1) "Employee" means any individual employed by any employer, including but not limited to individuals employed by the state or any of its political subdivisions, instrumentalities, or instrumentalities of political subdivisions, *whether working full-time or part-time, and any temporary employee employed by an employer for a period of at least three (3) months. Section 3. KRS 337.423 is amended to read as follows:

- (1) It shall be an unlawful employment practice for an employer to discriminate among employees on the basis of sex,**

race, or national origin by:

- (a) Paying wages to employees at a rate less than the rate paid to employees of the opposite sex or of a different race or national origin for work in equivalent jobs, or
 - (b) Paying wages to employees in a job that is dominated by employees of a particular sex, race, or national origin at a rate less than the rate at which the employer pays to employees in another job that is dominated by employees of the opposite sex or of a different race or national origin, for work on equivalent jobs~~[No employer shall discriminate between employees in the same establishment on the basis of sex, by paying wages to any employee in any occupation in this state at a rate less than the rate at which he pays any employee of the opposite sex for comparable work on jobs which have comparable requirements relating to skill, effort and responsibility. Differentials which are paid pursuant to established seniority systems or merit increase systems, which do not discriminate on the basis of sex, shall not be included within this prohibition. Nothing in KRS 337.420 to 337.433 and 337.990(14) shall apply to any employer who is subject to the federal Fair Labor Standards Act of 1938, as amended, when that act imposes comparable or greater requirements than contained in KRS 337.420 to 337.433 and 337.990(14) and when the employer files with the commissioner of the Department of Workplace Standards a statement that the employer is covered by the federal Fair Labor Standards Act of 1938, as amended].~~

- (5) The commissioner shall promulgate administrative regulations in accordance with KRS Chapter 13A specifying the criteria for determining whether a job is dominated by employees of a particular sex, race, or national origin. Criteria shall include, but not be limited to, factors such as whether the job has ever been formally classified as or traditionally considered to be a "male" or "female" or "white" or "minority" job; whether there is a history of discrimination against women or people of color with regard to wages, assignment or access to jobs, or other terms and conditions of employment; and the demographic composition of the work force in equivalent jobs. Administrative regulations promulgated pursuant to this subsection shall not include a list of jobs.
- (6) Not later than one hundred twenty days (120) after the effective date of this Act, the commissioner shall review the administrative regulations promulgated under KRS 337.425 and promulgate revisions as necessary to carry out the requirements of this section and Section 4 of this Act.
- (7) It shall be an unlawful employment practice for an employer:
- (a) To take adverse actions or otherwise discriminate against any individual because the individual has opposed any act or practice made unlawful by KRS 337.420 to 337.433, has sought to enforce rights protected under those sections, or has testified, assisted, or participated in any manner in an investigation, hearing, or other proceeding to enforce KRS 337.420 to 337.433; or
 - (b) To discharge or in any other manner discriminate against, coerce, intimidate, threaten, or interfere with any employee or any other person because the employee inquired about, disclosed, compared, or otherwise discussed the employee's wages or the wages of any other employee, or because the employee exercised, enjoyed, aided, or encouraged any other person to exercise or enjoy any right granted or protected by KRS 337.420 to 337.433~~[(4)]~~

Every employer subject to KRS 337.420 to 337.433 shall preserve records prescribed by administrative regulations promulgated by the commissioner.

(3) The administrative regulations promulgated under Section 3 of this Act, relating to the form of reports required by this section, shall provide for protection of the confidentiality of employees and shall expressly require that reports shall not include the names or other identifying information from which readers could discern the identities of employees. The administrative regulations may also identify circumstances that warrant a prohibition on disclosure of reports or information identifying the employer.

(4) The commissioner may use the information and data it collects pursuant to this section for statistical and research purposes, and may compile and publish studies, analyses, reports, and surveys based on the information and data, as the commissioner may deem appropriate.

Section 5. KRS 337.427 is amended to read as follows:

- (1) Any employer who violates the provisions of KRS 337.423 shall be liable to the employee or employees affected in the amount of their unpaid wages, and an additional amount in compensatory and punitive damages, as appropriate~~in instances of willful violation in employee suits under subsection (2) of this section, up to an additional equal amount as liquidated damages~~.

- (3) An agreement by any employee to work for less than the wage to which the employee is entitled under KRS 337.420 to 337.433 and 337.990(14) shall not be a bar to any such action, or to a voluntary wage restitution of the full amount due under KRS 337.420 to 337.433 and 337.990(14).
- (4) The commissioner shall receive, investigate, and attempt to resolve complaints of violations of Sections 1, 3, and 4 of this Act.

Any sums recovered by the commissioner shall be paid directly to each employee affected by the employer's unlawful acts. The commissioner shall not be required to pay the filing fee, or other costs, in connection with the action. The commissioner shall have power to join various claims against the employer in one (1) cause of action.

This test may be administered in addition to any other blood alcohol level test authorized by law. A person's refusal to take a preliminary breath test shall not be used against him in a court of law or in any administrative proceeding.
- (2) Law enforcement agencies may record on film or video tape or by other visual and audible means field sobriety tests administered at the scene of an arrest for violation of KRS 189A.010 or ~~other~~~~[such]~~ tests at a police station, jail, or other suitable facility subject to the following conditions:

- (3) ***All law enforcement agencies shall request all drivers involved in a motor vehicle accident that results in serious injury or death to submit to a field sobriety test at the scene of the accident. If a driver refuses to comply with the officer's***

- (6) Only a physician, registered nurse, phlebotomist, medical technician, or medical technologist not otherwise prohibited by law can withdraw any blood of any person submitting to a test under this section.

Each election precinct shall be composed of contiguous and, as nearly as practicable, compact areas having clearly definable boundaries and wholly contained within any larger district. The county board of election shall establish precincts so that no boundary of a precinct crosses the boundary of:

 - (b) A county or urban-county;
 - (c) A congressional district;
 - (d) A state senatorial district;
 - (e) A state representative district; ~~or~~
 - (f) A justice of the peace or county commissioner's district established under KRS Chapter 67; or
 - (g) An aldermanic ward established under KRS 83.440.
- (2) The county board of elections shall have the authority to draw precinct lines so as to enable more than one (1) precinct to vote at one (1) location. The county board of elections shall review election precinct boundaries as often as necessary. Without exception, they shall review the boundaries of all election precincts exceeding seven hundred (700) votes cast in the last regular election prior to each primary election. Consideration to the division of said election precincts should be based on the anticipated growth factor within the specified boundaries; however, the county board of elections shall not be prohibited from dividing election precincts in excess of seven hundred (700) votes cast in the last regular election or less than seven hundred (700) votes cast in the last regular election if they elect to do so. However, the State Board of Elections shall not remit to a county the expenses of an election for any precinct containing less than three hundred fifty (350) registered voters unless the county has received prior approval from the state board to establish a precinct containing

less than three hundred fifty (350) registered voters. The State Board of Elections shall provide by administrative regulation under what circumstances an exception shall be granted.

- (3) No election precinct shall be created, divided, abolished, or consolidated or the boundaries therein changed prior to any primary election to comply with the provisions of KRS 117.055 to 117.0555 and KRS 117.0557 later than the last date prescribed by election law generally for filing notification and declaration forms with the county clerk or Secretary of State. No election precinct shall be created, divided, abolished, or consolidated or the boundaries therein changed prior to any general election to comply with the provisions of KRS 117.055 to 117.0555 and KRS 117.0557 later than the last date prescribed by election law generally for filing certificates or petitions of nomination with the county clerk or Secretary of State.
- (4) The county board of elections shall designate the name or number and the boundaries of the election precincts. Each precinct shall contain, as nearly as practicable, an equal number of voters, based on the number of registered voters in the county.
- (5) A map and listing of the exact election precinct boundaries shall be filed by the county board of elections with the State Board of Elections, and any changes in boundaries thereafter made shall also be filed with the State Board of Elections. A copy of this map indicating all precinct boundaries within the county shall be included in the election supplies of each precinct.
- (6) If the county board of elections fails to perform any of the duties required by KRS 117.055 to 117.0555 and KRS 117.0557:
 - (a) The State Board of Elections or any citizen and voter of the county may apply to the Circuit Court of the county for a summary mandatory order requiring the board to perform the duty. Appeals may be taken to the Court of Appeals by either party; and
 - (b) The State Board of Elections shall not submit claims for payments to the county under KRS 117.343 and 117.345 until the State Board of Elections determines in writing that the duty has been performed.
- (7) The county board of elections shall coordinate all precinct boundary changes with the affected school board, magisterial, and municipal boundaries.

- (1) The county board of elections shall in the manner prescribed by this section, not later than March 20 each year, except in a year in which no primary and regular elections are scheduled, appoint for each precinct in the county two (2) judges, one (1) clerk and one (1) sheriff of election. They shall serve in all elections held in the county during the year, except as provided in KRS Chapter 242. If a special election is ordered to be held in a year in which no elections are scheduled, the county executive committee of each political party in each county in the territory affected by the special election shall, not later than twenty-eight (28) days preceding the date of the special election, submit a written list of nominees for precinct election officers to serve in the special election in a manner consistent with the provisions of subsection (2) of this section. The county board of elections in each county in the territory affected by the special election shall, not later than twenty-one (21) days preceding the date of the special election, appoint precinct election officers to serve in the special election in a manner consistent with the provisions of subsections (4), (5), and (6) of this section. The State Board of Elections shall promulgate an administrative regulation establishing evaluation procedures which county boards of elections may use to qualify persons nominated to serve as precinct election officers.
- (2) The county executive committees of the two (2) political parties having representation on the State Board of Elections may, on or before March 15 each year, designate in writing to the county board of elections a list of not less than four (4) names for each precinct; except that, in any precinct where there are not as many as four (4) persons possessing the qualifications of an election officer belonging to the political party filing the list, a lesser number may be designated. If there are two (2) or more contending executive committees of the same party in any county, the one (1) recognized by the written certificate of the chairman of the state central committee of the party shall be the one (1) authorized to submit the lists. The lists shall contain the full name, address, phone number, and Social Security number, if available, of each person listed. The lists shall be accompanied by a signed statement from each person stating that he is willing to serve, has not failed to serve without excuse in the past, and has not been convicted of an election law offense or any felony, unless the person's civil rights have been restored by the Governor. The State Board of Elections shall prescribe by administrative regulation the form of the list.
- (3) The Attorney General shall notify each party state central committee of the duties of the party.
- (4) If lists are submitted, the county board of elections shall select one (1) judge at each voting place from each political party's list, and the county board shall select the sheriff from one (1) political party's list and the clerk from the other. If no lists are submitted, the two (2) members of the county board of elections who are appointed by the State Board of

2000 Regular Session

Elections may submit lists; and the county board shall select the sheriff and one (1) judge from one (1) list and the clerk and the other judge from the remaining list. If no lists are submitted, the county board shall select the sheriff and one (1) judge from the membership of one (1) party and the clerk and the other judge from the membership of the remaining party. The county board shall, when possible, also appoint an adequate number of alternate precinct election officers from names on the lists which were submitted but which were not selected by the county board as precinct election officers. If alternate precinct election officers are not appointed from the lists of nominees who were not selected as precinct election officers, the county board of elections shall submit its method of selecting alternate precinct election officers to the State Board of Elections for its approval.

- (5) If, after all reasonable efforts have been made, the county board of elections is unable to find two (2) qualified officers for each precinct who are affiliated with the two (2) political parties having representation on the State Board of Elections, the county board shall submit a list of emergency election officer appointments to the State Board of Elections. The county board shall also present, in writing, its efforts to recruit and appoint election officers as prescribed in subsection (4) of this section. The list of emergency appointments may include qualified voters not affiliated with the two (2) parties represented on the state board. The state board, after its review, may approve any or all of the emergency appointments submitted by the county board or may direct the county board to take other action. Any emergency appointment shall be made for the next ensuing election only.
- (6) In addition to precinct election officers appointed under subsection (1) of this section, a county board of elections may appoint up to two (2) additional precinct election officers per precinct with the approval of the State Board of Elections. The state board shall promulgate an administrative regulation establishing conditions under which additional precinct officers may be approved.
- (7) The county board of elections shall, within ten (10) days before the next ensuing election, give each election officer written notice of his appointment. The board may direct the sheriff of the county to serve the notice of appointment, if it deems the action is necessary.
- (8) The State Board of Elections may require the county board of elections to submit its list of precinct officers for review. The State Board of Elections may, after a hearing, direct the removal of any election officer who the board finds would not fairly administer the state election laws. The state board shall replace any officer so removed. The board shall provide for the method and manner of the hearing by administrative regulation.
- (9) An election officer shall be a qualified voter of the precinct; except that, where no qualified voter of the required political party is available within the precinct, the election officer shall be a qualified voter of the county. An election officer shall not be a candidate or the spouse, parent, brother, sister, or child of a candidate who is to be voted for at the election. An election officer shall not have changed his voter registration party affiliation for one (1) year prior to his appointment. An election officer may be removed, for cause, at any time up to five (5) days before an election. Vacancies shall be filled by the county board with alternate precinct election officers and the person appointed to fill the vacancy shall be of the same political party as the vacating officer, except for emergency appointments made as provided in subsection (5) of this section.
- (10) If the county board of elections fails to appoint election officers, or if any officer is not present at the precinct at the time for commencing the election, or refuses to act, and if no alternate is available, the officer in attendance representing the political party of the absentee shall appoint a suitable person to act in his place for that election. If both representatives of the same political party are absent, qualified voters present affiliating with that party shall elect, viva voce, suitable persons to act in their places.
- (11) Each election officer shall be paid a minimum of **one hundred dollars (\$100)** ~~sixty dollars (\$60)~~ per election day served, and such an additional amount as compensation as may be determined by the county board of elections, with the approval of the governing body which would be responsible for funding the election officers' pay, for each election in which the election officer serves, to be paid by the county. For delivering the election packets to the polls, the precinct election officers shall receive in addition the mileage reimbursement provided for state employees, for each mile necessarily traveled in the delivery of the packets to the polls, or a flat fee if the fee equals or exceeds that amount. For delivering election returns, the precinct election judges shall receive in addition the mileage reimbursement provided for state employees for each mile necessarily traveled from the place of voting to and from the place of delivery, or a flat fee if the fee equals or exceeds that amount. The fee paid to the precinct election judges for delivering election returns shall be paid by the county.

Section 2. KRS 117.187 is amended to read as follows:

 - (b) Industrial development projects if the secretary of the Cabinet for Economic Development finds that the project is necessary for the creation of an environment for new industry in order to obtain an agreement from an industrial firm to develop manufacturing, processing, assembling, or other facilities approved by the executive director of the Office of Coal County Development in~~secretary of~~ the Cabinet for Economic Development; and
 - (c) Debt service for industrial development projects, as defined in subsection (2)(a) and (b) of this section, or for

- (6) *The Executive Director of the Office of Coal County Development in the Cabinet for Economic Development may approve an industrial development project for a coalition of a minimum of three (3) counties eligible for grant funds provided for in KRS 42.4592(1)(c), which coalition may include one (1) noncoal producing county as approved in subsection (5) of this section. The financing agreement shall provide that the assessments, when added to the credit for the Kentucky income tax as provided in KRS 154.22-060, shall not exceed the total annual debt service payments of the approved company with respect to the loans or other financing incurred in connection with the economic development project in any year; however, to the extent that such annual debt service payments exceed credits received and assessments collected in any year, the excess payment may be recouped from excess credits or assessment collections in succeeding years.
 2. If, in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company, plus the assessment collected from the wages of the employees, equals the annual debt service payments with respect to the loans or other financing incurred in connection with the economic development project, and if all excess payments with respect to the loans or other financing incurred in connection with the economic development project accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for

the remainder of that fiscal year of the approved company and the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.

3. If in any fiscal year of the approved company during which the financing agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax.
4. If in any fiscal year of the approved company during which the financing agreement is in effect the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for employees wages next succeeding the first date when the approved company collected excess assessments.
- (e) The financing agreement shall provide in substance that it may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to that effect.

Such evidence shall be provided to the authority within forty-five (45) days after the end of each fiscal year of the financing agreement.
- (g) The financing agreement shall provide that if an approved company fails to comply with its respective obligations under the financing agreement, or that the lender to an approved company fails to comply with its requirements set forth in subsection (2)(f) of this section, or is declared in default under the loans or other financing incurred in connection with the economic development project, then the authority, or any of its assignees, shall have the right, at its option, to:

To implement the activation date, the approved company shall notify the authority, the Revenue Cabinet, and the approved company's employees of the activation date when the implementation of the inducements authorized in the financing agreement shall occur. If the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.22-040(3) by the activation date, the approved company shall not be entitled to receive inducements pursuant to this subchapter until the approved company satisfies the requirements; however, the fifteen (15) year period for the term of the financing agreement shall begin from the activation date. Notwithstanding the previous sentence, if the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.22-040(3) within two (2) years from the date of final approval of the financing agreement, then the approved company shall be ineligible to receive inducements under this subchapter unless an extension is approved by the authority.

- (1) In a competitive market, every insurer shall file with the commissioner rates and supplementary information to be used in this state for commercial risks as designated by the commissioner, except as provided in subsection (9) of this section, and for all personal risks. The rates and supplementary rate information shall be filed not later than fifteen (15) days after the date of first use of the rates, unless the commissioner finds after a hearing that an insurer's rates require closer supervision because of the insurer's financial condition. On a finding, rates for both personal and commercial risks, supplementary rate information, and supporting information shall be filed with the commissioner at least thirty (30) days before the effective date of the rates. An order shall expire no later than one (1) year after it is issued.
- (2) In a noncompetitive market, every insurer shall file with the commissioner all rates for that market, supplementary rate information, and supporting information at least thirty (30) days before the proposed effective date of the rates. On application of the filer, the commissioner may authorize an earlier effective date.
- (3) Any rate filing in effect at the time the commissioner determines that competition does not exist pursuant to KRS 304.13-041 shall be deemed to be effective until disapproved pursuant to the procedures and rating standards of this chapter.
- (4) Every insurer shall file with the commissioner all rating manuals and underwriting rules that it uses in this state not later than fifteen (15) days after they become effective. Manuals, rules, and guidelines must be adhered to until amended. The commissioner may exempt an insurer from filing supporting information if it files by reference, with or without deviation, to a filing which is in effect for another insurer or an advisory organization.
- (5) (a) No insurer shall place into effect any rates, manuals, or underwriting rules which it proposes to use pursuant to

subsection (1) or (4) of this section if the rates, manuals, or underwriting rules will result in an increase or decrease of more than twenty-five percent (25%) from the insurer's then existing rates for any classification of risks in any of its rating territories within a twelve (12) month period of time.

- (b) Any insurer which proposes to change its then existing rates, manuals, or underwriting rules so as to effectively increase or decrease the rates of any classification of risks within any rating territory more than twenty-five percent (25%) within a twelve (12) month period shall file all the rates and supplemental rating information which shall not become effective until approved by the commissioner.
- (6) Rates and supplemental rating information for a residual market mechanism shall not become effective until approved by the commissioner.

The commissioner may, when he deems it to be in the public interest, hold a public hearing on any filing before the filing becomes effective to determine whether the filing meets the requirements of this subtitle. In the event that a hearing is held under the provisions of this subsection, the waiting periods specified in this subsection shall not begin to run until thirty (30) days after the close of the hearing. The burden of establishing that the filing under consideration meets the requirements of this subtitle is on the insurer which makes the filing. A filing shall be deemed to meet the requirements of this subtitle unless disapproved by the commissioner within the waiting period or any extension thereof.
- (8) At any hearing concerning an increase in worker's compensation rates conducted pursuant to subsection (7), the commissioner may approve a rate other than one that has been proposed by the filer if it is justified by the evidence presented at the hearing.
- (9) (a) For purposes of this subsection, "exempt commercial policyholder" means an insured that employs the services of an insurance agent or broker, procures commercial insurance with the services of a consultant licensed in Kentucky or a risk manager, and certifies that it meets any three (3) of the following criteria:

- (2) Any corporation presently or after July 13, 1990, engaged in the business of banking, and meeting the requirements of this subsection, may apply to the commissioner for permission to establish, within any state, the District of Columbia, or a territory of the United States~~county in which its principal office or an existing branch is located~~, a branch at which all of the powers conferred in subsection (1) of this section may be exercised. Before the commissioner shall approve or disapprove any application made under this subsection he shall ascertain and determine that the public convenience and advantage will be served and promoted and that there is reasonable probability of the successful operation of the branch based upon the financial and managerial impact of the branch on the bank establishing the branch. The following conditions shall apply to applications for branches:
 - (a) The permission to open a branch shall lapse one (1) year after the commissioner has rendered a final order as defined in KRS 13B.010, unless it shall have been opened and business actually begun in good faith. If, for reasons beyond the control of the applicant, the branch is not opened within this time period, permission to open the branch may, with the approval of the commissioner, be extended for any period of time he deems to be necessary; and
 - (b) An application to establish a branch office shall be approved or disapproved by the commissioner based upon the facts existing at the date of filing of the application, except for the financial condition of the bank proposing to establish a branch office, which condition shall be subject to review until an order ruling on the application is made.

- (4) The provisions of this section shall not be construed to prohibit the merger of banks in the same county and the operation by the merged corporation of the banks, nor to prohibit the sale of any bank to, and the purchase by, any other bank in the same county and the operation of the bank by the purchasing bank as a branch, provided the commissioner shall determine that the public convenience and necessity will be served by the operation, ~~and provided further that, at the time of the merger or purchase, each of the banks involved shall have been in operation for a period of five (5) years or more~~. The bank which does not survive the merger shall surrender its charter.
- (5) Any national banking association or any state bank member of the Federal Reserve system whose principal office is located in this state may do all things and perform all acts which state banks are permitted to do or perform under this section, subject to the conditions and restrictions provided for banks as to exercise of these powers.

If the commissioner shall disapprove the conversion plan, he shall state his reasons for such disapproval in writing to which the converting national bank shall have the right of appeal as permitted by law.

- (3) In the case of each merger, a written plan of merger shall be submitted, in duplicate, to the commissioner. Such plan shall be in form satisfactory to the commissioner and shall prescribe the terms and conditions of the merger and the mode of carrying it into effect. Such plan may provide the name to be borne by the state bank, as receiving corporation, if such name is to be changed. Such plan may also name the persons who shall constitute the first board of directors of the state bank after the merger shall have been accomplished, provided that the number and qualifications of such person shall be in accordance with the provisions of KRS Chapter 287 relating to the number and qualifications of directors of a state bank; or such plan may provide for a meeting of the stockholders to elect a board of directors within sixty (60) days after such merger, and may make provision for conducting the affairs of the state bank meanwhile. With such plan of merger there shall be submitted, in duplicate, to the commissioner the following:

- (a) By the national banking association, a certificate of the president, secretary or cashier of such association certifying that all steps have been taken which are necessary under federal law to the consummation of their merger;
- (b) By the state bank, a certificate of the president, secretary or cashier certifying that such plan of merger has been approved by the board of directors of the state bank by a majority vote of all the members thereof, that such plan has been submitted to the stockholders of the state bank at a meeting thereof held; upon notice of at least fifteen (15) days, specifying the time, and place and object of such meeting and addressed to each stockholder at the address appearing upon the books of the state bank and published pursuant to KRS Chapter 424, and that such plan of merger has been approved at such meeting by the vote of the stockholders owning at least two-thirds (2/3) in amount of the stock of the state bank.

- (4) The commissioner shall approve or disapprove such plan of merger within sixty (60) days of such submission thereof to him. If the commissioner shall approve such plan, he shall file one (1) duplicate thereof, together with one (1) duplicate of each of such certificates and the original of the approval of the commissioner, in the office of the commissioner, and the other duplicate of such plan, together with a duplicate of each of such certificates and a duplicate of the commissioner's approval, shall be filed in the office of the clerk of the county in which the principal office of the state bank is to be located. Upon such filing in the office of the commissioner, the merger shall become effective, unless a later date is specified in the plan, in which event the merger shall become effective upon such later date.

- (5) At the time when such conversion or merger becomes effective:

- (a) The resulting state bank shall be considered the same business and corporate entity as the national banking association, although as to rights, powers and duties, the resulting bank is a state bank;
- (b) All of the property, rights and powers and franchises of the national banking association shall vest in the resulting state bank and the resulting state bank shall be subject to and deemed to have assumed all of the debts, liabilities,

obligations and duties of the national banking association and to have succeeded to all of its relationships, fiduciary or otherwise, as fully and to the same extent as if such property, rights, powers, franchises, debts, liabilities, obligations, duties and relationships had been originally acquired, incurred or entered into by the resulting state bank; provided, however, that the resulting state bank shall not, through such conversion or merger, acquire power to engage in any business or to exercise any right, privilege or franchise which is not conferred by the provisions of KRS Chapter 287 upon such resulting state bank;

- (c) Any reference to the national banking association in any contract, will or document, whether executed or taking effect before or after the conversion or merger, shall be considered a reference to the resulting state bank if not inconsistent with the other provisions of the contract, will or document;
- (d) A pending action or other judicial proceeding to which the national banking association is a party, shall not be deemed to have abated or to have discontinued by reason of the conversion or merger, but may be prosecuted to final judgment, order or decree in the same manner as if the conversion or merger had not been made; or the resulting state bank may be substituted as a party to such action or proceeding, and any judgment, order or decree may be rendered for or against it that might have been rendered for or against the national banking association if the conversion or merger had not occurred.

Before the commissioner shall approve or disapprove any application made under this subsection he shall ascertain and determine that the public convenience and advantage will be served and promoted and that there is reasonable probability of the successful operation of the branch based upon the financial and managerial impact of the branch on the bank establishing the branch. The following conditions shall apply to applications for branches:
- (a) The permission to open a branch shall lapse one (1) year after the commissioner has rendered a final order as defined in KRS 13B.010, unless it shall have been opened and business actually begun in good faith. - (4) The provisions of this section shall not be construed to prohibit the merger of banks in the same county and the operation by the merged corporation of the banks, nor to prohibit the sale of any bank to, and the purchase by, any other bank in the same county and the operation of the bank by the purchasing bank as a branch, provided the commissioner shall determine that the public convenience and necessity will be served by the operation~~[, and provided further that, at the time of the merger or purchase, each of the banks involved shall have been in operation for a period of five (5) years or more]~~. The bank which does not survive the merger shall surrender its charter.
- (5) Any national banking association or any state bank member of the Federal Reserve system whose principal office is located in this state may do all things and perform all acts which state banks are permitted to do or perform under this section, subject to the conditions and restrictions provided for banks as to exercise of these powers.
- (6) When a branch or agency bank has once been established any operation of the branch or agency bank shall not be discontinued, and the branch or agency bank shall not be closed until after ninety (90) days' notice in writing to the commissioner. The House of Representatives of the Commonwealth of Kentucky hereby extends its most ardent congratulations to Tori Murden-McClure upon becoming both the first woman and the first American to successfully complete a solo and unsupported row across the Atlantic Ocean. A graduate of the University of Louisville School of Law who obtained her Master of Divinity from Harvard University, this distinguished citizen began the 3,333 mile journey from Tenerife, the largest of the Canary Islands in Africa on September 13, 1999 and arrived on the island of Guadeloupe in the Caribbean on December 3, 1999, recording an official time of 81 days, 7 hours and 46 minutes. In addition to this remarkable achievement, Ms. Murden-McClure is the first woman and first American to ski to the Geographic South Pole and the first woman to climb the Lewis Nunatuk in the Antarctic. Inasmuch as this extraordinary citizen has shone forth as a model of the determination and perseverance of the human spirit and, as a result, has brought great recognition to herself, her community and this nation by her efforts in these monumental endeavors, the members of this august body are indeed honored to join with Representative Mary Lou Marzian in honoring Tori Murden-McClure for her phenomenal achievements and in extending warmest wishes as she continues to serve as an inspiration to all those who dare to pursue and achieve their dreams. Done in Frankfort, this twenty-seventh day of January, in the year of our Lord, two thousand.

Upon the conclusion of the evidence and arguments, the judge shall give the jury appropriate instructions, and the jury shall retire to determine whether any mitigating or aggravating circumstances, as defined in subsection (2) of this section, exist and to recommend a sentence for the defendant. Upon the findings of the jury, the judge shall fix a sentence within the limits prescribed by law.
- (2) In all cases of offenses for which the death penalty may be authorized, the judge shall consider, or he shall include in his instructions to the jury for it to consider, any mitigating circumstances or aggravating circumstances otherwise authorized by law and any of the following statutory aggravating or mitigating circumstances which may be supported by the evidence:

The offender murdered the victim when an emergency protective order or a domestic violence order was in effect, or when any other order designed to protect the victim from the offender, such as an order issued as a condition of a bond, conditional release, probation, parole, or pretrial diversion, was in effect.
 - (b) Mitigating circumstances:
 1. The defendant has no significant history of prior criminal activity;
 2. The capital offense was committed while the defendant was under the influence of extreme mental or emotional disturbance even though the influence of extreme mental or emotional disturbance is not sufficient to constitute a defense to the crime;

- (3) The instructions as determined by the trial judge to be warranted by the evidence or as required by KRS 532.030(4) shall be given in charge and in writing to the jury for its deliberation. The jury, if its verdict be a recommendation of death, or imprisonment for life without benefit of probation or parole, or imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall designate in writing, signed by the foreman of the jury, the aggravating circumstance or circumstances which it found beyond a reasonable doubt. In nonjury cases, the judge shall make such designation. In all cases unless at least one (1) of the statutory aggravating circumstances enumerated in subsection (2) of this section is so found, the death penalty, or imprisonment for life without benefit of probation or parole, or the sentence to imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall not be imposed.

- (1) Unless precluded by law, any child committed to the Department of Juvenile Justice or the cabinet may by the decision of the Department of Juvenile Justice or the cabinet or its designee, at any time during the period of his commitment, be:
 - (a) Upon fourteen (14) days' prior written notice to the court, discharged from commitment. Written notice of discharge shall be given to the committing court and to any other parties as may be required by law;
 - (b) Placed in the home of the child's parents, in the home of a relative, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a social[family] service worker or juvenile probation and parole officer. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;
 - (c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that: No child committed under the provisions of KRS 610.010(1)(b), (c), or (d) shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as a public offender unless the cabinet and the department agree, and the court consents, that the placement is in the best interest of the child and that the placement does not exceed a group home level;
 - (d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;
 - (e) Treated as provided in KRS Chapter 645;

- (2) No child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders;
- (3) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of the child's parents, the child shall not be removed except in accordance with the following standards and procedures:
 - (a) If the social[family] service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the social[family] service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;
 - (b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the social[family] service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;
 - (c) If a social[family] service worker finds a committed, unattended child who is too young to take care of himself, the social[family] service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the social[family] service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or
 - (d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the social[family] service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to

the parents' home.

- (4) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. - (5) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.
- (6) The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.
- (7) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

If the cabinet or its designated representative receives a report of abuse by other than a parent, guardian, or other person exercising custodial control or supervision of a child, it shall forthwith notify the local law enforcement agency or Kentucky State Police and the Commonwealth's or county attorney of the receipt of the report and its contents and they shall investigate the matter. The cabinet or its designated representative may participate in an investigation of noncustodial abuse at the request of the local law enforcement agency or the Kentucky State Police.
- (3) School personnel or other persons listed in KRS 620.030(2) do not have the authority to conduct internal investigations in lieu of the official investigations outlined in this section.
- (4)
 - (a) If, after receiving the report, the law enforcement officer, the cabinet, or its designated representative cannot gain admission to the location of the child, a search warrant shall be issued by the judge to the appropriate law enforcement official upon probable cause that the child is dependent, neglected, or abused. If, pursuant to a search under a warrant a child is discovered and appears to be in imminent danger, the child may be removed by the law enforcement officer.
 - (b) If a child who is in a hospital or under the immediate care of a physician appears to be in imminent danger if he is returned to the persons having custody of him, the physician or hospital administrator may hold the child without court order, provided that a request is made to the court for an emergency custody order at the earliest practicable time, not to exceed seventy-two (72) hours.
 - (c) Any appropriate law enforcement officer may take a child into protective custody and may hold that child in protective custody without the consent of the parent or other person exercising custodial control or supervision if

- (d) When a law enforcement officer, hospital administrator, or physician takes a child into custody without the consent of the parent or other person exercising custodial control or supervision, he shall provide written notice to the parent or other person stating the reasons for removal of the child. Failure of the parent or other person to receive notice shall not, by itself, be cause for civil or criminal liability.
- (5) (a) One (1) or more multidisciplinary teams may be established in every county or group of contiguous counties.
- (b) Membership of the multidisciplinary team shall include, but is not limited to, ~~social~~~~family~~ service workers employed by the Cabinet for Families and Children and law enforcement officers. The purpose of the multidisciplinary team shall be to review investigations, assess service delivery, and to facilitate efficient and appropriate disposition of cases through the criminal justice system.
- (d) The team shall hold regularly scheduled meetings if new reports of sexual abuse are received or if active cases exist. At each meeting, each active case shall be presented and the agencies' responses assessed.

HCR 44, A CONCURRENT RESOLUTION relating to the establishment of a task force to complete a study to identify barriers to quality end-of-life care, best practices, and strategies to improve quality of care.

WHEREAS, the National Task Force on End-of-Life Care in Managed Care reported that end-of-life care has been an intractable problem across the United States and contributions from many sectors of the American society will be needed to improve access to comprehensive, high-quality care, to strengthen accountability, and to develop payment methods; and

WHEREAS, a group of researchers completed a four (4) year Study to Understand Prognoses and Preferences for Outcomes and Risks of Treatments (SUPPORT) in five (5) teaching hospitals in the United States to improve end-of-life decision making and reduce the frequency of a mechanically supported, painful, and prolonged process of dying. The researchers found shortcomings in the care for seriously ill hospitalized patients including pain management and physician knowledge of the patient's desires regarding resuscitation; and

WHEREAS, too many patients die in physical pain and discomfort, despite the technical capability to control most symptoms near the end of life; and

WHEREAS, physicians are often fearful of disciplinary actions for prescribing appropriate medications to promote comfort in patients who are dying; and

WHEREAS, consumers are unaware of their rights to make decisions about end of life care; and

WHEREAS, legal matters surrounding advance directives often complicate decision making for patients, families, and health care practitioners; and

WHEREAS, patients' and families' wishes are often ignored; and

WHEREAS, technologies are often imposed upon patients that merely prolong the dying process, while comfort and support are not provided; and

WHEREAS, patients and families have the right to a seamless health care system that provides access to holistic care which includes care for the mind, body, and soul through both technical methods and supportive care; and

WHEREAS, reimbursement for care should support access to both technical and supportive care; and

WHEREAS, the curriculum for health care providers is limited in the amount of content related to palliative or end of life care; and

WHEREAS, the opportunities for medical students, residents, and other health care providers to participate in guided palliative care experiences need to be expanded;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Research Commission is directed to establish a thirty (30) member task force to complete a study to identify the barriers to quality end-of-life care, identify strategies to improve access to quality end-of-life care that is culturally competent and based upon patients' and families' desires, identify ways to strengthen accountability to determine whether quality care is being delivered, and identify payment methods for delivering a seamless system of care. The Legislative Research Commission shall appoint two (2) members of the House of Representatives and two (2) members of the Senate to serve as members and co-chairs of the task force. The members of the task force shall include, but not be limited to, representatives from the Kentucky Nurses Association, the Kentucky Medical Association, the Kentucky Hospital Association, the Kentucky Pharmacists Association, the Kentucky Commission on Women, Kentuckians for Compassionate Care, the Kentucky Association of Hospices, the Department for Public Health, the Kentucky Board of Medical Licensure, the Kentucky Board of Licensure and Certification for Dietitians and Nutritionists, the Division of Consumer Protection of the Office of the Attorney General, the Office of Aging Services, the Kentucky Society of Health System Pharmacists, the Kentucky Association of Health Care

The task force shall include representatives of hospitals, universities, hospices, and nursing homes, and shall include palliative care physicians, aging specialists, and nurses currently providing end-of-life care.

Section 2. The task force shall submit a final report of its findings and recommendations to the Legislative Research Commission no later than September 1, 2001.

Section 3. Staff services to be utilized in completing the work of the task force are estimated to cost \$30,000. These staff services shall be provided from the regular Commission budget and are subject to the limitations and other research responsibilities of the Commission.

Section 4. Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

Any district board of education may, in its discretion, allow teachers in its common school system sick leave in excess of the number of days prescribed in this section and may allow school district employees and teachers to use up to three (3) days' sick leave per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated sick leave days credited to a teacher shall remain so credited in the event he transfers his place of employment from one (1) school district to another within the state or to the Kentucky Department of Education or transfers from the Department of Education to a school district after June 30, 1985.
- (4) Accumulated days of sick leave shall be granted to a teacher if, prior to the opening day of the school year, an affidavit or a certificate of a physician is presented to the district board of education, stating that the teacher is unable to commence his duties on the opening day of the school year, but will be able to assume his duties within a period of time that the board determines to be reasonable.

the bank. Days contributed will be deducted from the days available to the contributing teacher or employee. The sick leave bank shall be administered in accordance with a policy adopted by the board of education.

- (7) (a) A district board of education shall establish a sick leave donation program to permit teachers or employees to voluntarily contribute sick leave to teachers or employees in the same school district who are in need of an extended absence from school. A teacher or employee who has accrued more than fifteen (15) days sick leave may request the board of education to transfer a designated amount of sick leave to another teacher or employee who is authorized to receive the sick leave donated. A teacher or employee may not request an amount of sick leave be donated that reduces his or her sick leave balance to less than fifteen (15) days.
- (b) A teacher or employee may receive donations of sick leave if:

- (d) Any sick leave that remains unused, is not needed by a teacher or employee, and will not be needed in the future shall be returned to the teacher or employee donating the sick leave.
- (e) The board of education shall adopt policies and procedures necessary to implement the sick leave donation program.
- (8) A teacher may use up to thirty (30) days of sick leave following the birth or adoption of a child or children. Additional days may be used when the need is verified by a physician's statement.
- (9) After July 1, 1982, a district board of education may compensate, at the time of retirement, an employee or a teacher for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employee's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days shall be incorporated into the annual salary of the final year of service; provided that the member makes the regular retirement contribution for members on the sick leave payment. The accumulation of these days includes unused sick leave days held by the employee or teacher at the time of implementation of the program.
- (10) Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the employee or teacher was entitled on the date of transfer. A special YMCA license plate shall be replaced free of charge if the metal plate is destroyed in an accident, deteriorates to a point that the lettering, numbering, or images on the face of the plate are not legible, or the plate is stolen, if the owner or lessee has not transferred the vehicle issued the plate during the current licensing period.

If a county has more than one (1) YMCA branch, the cabinet shall disburse the funds to the YMCA association representing all branches in the county. The YMCA association shall be responsible for equally distributing funds under this subsection to all YMCA branch offices within the county.
 - (b) The amount of money each county YMCA shall receive under this subsection shall be proportionate to the amount of money contributed to the YMCA program fund from sales of the special YMCA license plates in the county.
 - (c) A person wishing to purchase a special YMCA license plate who lives in a county that does not have a YMCA shall be permitted on the application form to designate a county with a YMCA where the proceeds from the person's purchase shall be credited for purposes of distribution under this subsection. HJR 48, A JOINT RESOLUTION directing the Transportation Cabinet to name KY 118 from US 421 to the Daniel Boone Parkway (the Hyden Spur) in Leslie County in honor of Tim Couch.

The memories of brisk autumn afternoons of the not too distant past are made sweeter because of this native son of Eastern Kentucky, who came out of the mountains of Appalachia to place the University of Kentucky among the pantheon of the nation's college gridiron elite, who has gone after too short a time to measure himself against the finest athletes in the world, and who, all the while, has represented his family, hometown, university, and state with aplomb and class: Tim Couch.

WHEREAS, the Commonwealth was deeply blessed when on July 31, 1977, Elbert and Janice Couch became the proud parents of a son, Timothy Scott Couch; and

WHEREAS, Tim Couch's athletic talent first garnered notice at Leslie County High School, where he was an All-State performer in both football and basketball; and

WHEREAS, Tim Couch was perhaps the finest high school football player ever produced in Kentucky, holding state and national high school career records with 872 pass completions, 12,104 passing yards, and 133 touchdown passes, and leading the Leslie County High School Eagles to a four year record of 38-13 and two trips to the Class AAA state semifinals; and

WHEREAS, Tim Couch, in his senior year of 1995, was named Kentucky's "Mr. Football", the Gatorade Circle of Champions "Kentucky Player of the Year", the USA Today "National Offensive Player of the Year", and was generally considered the best high school football player in the nation; and

WHEREAS, Tim Couch, after an intense recruiting battle that involved every major power in college football, decided to stay at home and help revive the flagging gridiron fortunes of the University of Kentucky Wildcats; and

WHEREAS, Tim Couch showed flashes of brilliance in his freshman season that were a foreshadowing of the two very special seasons to come; and

WHEREAS, Tim Couch, armed with the sophisticated "Air Raid" attack of new head coach Hal Mumme, set the college football world on fire during the 1997 season, engineering a monumental upset of Southeastern Conference power Alabama, marking the first time the Wildcats had beaten the Crimson Tide in 75 years; and

WHEREAS, because of his exploits during the 1997 season, Tim Couch was named honorable mention All-American by the Football News, second team All-SEC, and was a finalist for the Davey O'Brien Award, given to the nation's top quarterback; and

WHEREAS, Tim Couch continued his "Air Raid" on opponents in 1998, throwing for at least 300 yards in every game and leading the Wildcats to a 7-5 record and a trip to Kentucky's first New Year's Day bowl game in almost 50 years; and

WHEREAS, Tim Couch's achievements during the 1998 season earned him All-American honors from several sources,

unanimous first team All-SEC honors, and a fourth-place finish in the 1998 Heisman Memorial Trophy balloting; and

WHEREAS, at the conclusion of his collegiate career, Tim Couch had practically rewritten the Kentucky and Southeastern Conference record books, holding almost every major single game, season, and career passing record; and

WHEREAS, Tim Couch, feeling that he must continue to test himself against the best, decided to forego his final year of eligibility at Kentucky and was subsequently selected by the expansion Cleveland Browns with the first overall selection of the 1999 NFL Draft; and

WHEREAS, Tim Couch has continued his pattern of preternatural athletic success in the professional ranks, being named Cleveland's starting quarterback in just his second professional game and being named the NFL's "Offensive Player of the Month" for October 1999, justifying Cleveland's decision to hitch its wagon to Tim Couch's star; and

WHEREAS, Tim Couch was voted Kentucky's "Sportsman of the Year" in a Lexington Herald-Leader statewide poll of sportswriters and broadcasters in both 1995 and 1997; and

WHEREAS, both the Lexington Herald-Leader and Sports Illustrated magazine named Tim Couch one of the fifty most significant Kentucky sports figures of the 20th century; and

WHEREAS, in addition to Tim Couch's athletic exploits, he has shown a willingness to assist in charitable and civic organizations; and has given his time to such causes as the DARE program and the Children's Miracle Network; and

WHEREAS, Tim Couch has brought honor and glory to himself, his family, his university, his state, and his hometown through his athletic feats and his service to the community;

NOW, THEREFORE,

Section 1. That the Transportation Cabinet is directed to name KY 118 from US 421 to the Daniel Boone Parkway in Leslie County (the Hyden Spur) the "Tim Couch Pass".

WHEREAS, James Anderson Burns' life was one of adventure, excitement, and violent contrast; and

WHEREAS, James Anderson Burns came to reject the feuds that were all too prevalent in the mountains at that time, feeling that God had called him to be an instrument through which the feuds were to be ended; and

WHEREAS, James Anderson Burns was determined to substitute the opportunities of education for the violence of feuding; and

WHEREAS, James Anderson Burns opened Oneida Baptist Institute in 1900 to help expand educational opportunities; and

WHEREAS, Oneida Baptist Institute has grown beyond Mr. Burns' wildest expectations and dreams with the simple mission of teaching God's love; and

- (b) Residents of Kentucky who are members of the Armed Forces, dependents of members of the Armed Forces, and overseas citizens, may apply for an absentee ballot by means of the federal post-card application, which may be transmitted to the county clerk's office by mail or by facsimile machine. In case of such voters, the verification of appointment shall also contain the date of appointment. The applications shall be restricted to the use of the voter only.
 - (e) The members of the county board of elections or their designees who provide equal representation of both political parties may serve as precinct election officers, without compensation, for all absentee voting performed on a voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. If the members of the county board of elections or their designees serve as precinct election officers for the absentee voting, they shall perform the same duties and exercise the same authority as precinct election officers who serve on the day of an election. - (2) The clerk shall type the name of the voter permitted to vote by absentee ballot on the application form for that person's use and no other. The absentee ballot application form shall be in the form prescribed by the State Board of Elections, shall bear the seal of the county clerk, and shall contain the following information: name, residential address, precinct, party affiliation, statement of the reason the person cannot vote in person on election day, statement of where the voter shall be on election day, statement of compliance with residency requirements for voting in the precinct, and the voter's mailing address for an absentee ballot. The form shall be verified and signed by the voter. A notice of the actual penalty provisions in KRS 117.995(2) and (5) shall be printed on the application.
 - (3) If the county clerk finds that the voter is properly registered as stated in his application and qualifies to receive an absentee ballot by mail, he shall mail to the voter an absentee ballot, two (2) official envelopes for returning the ballot, and instructions for voting. The county clerk shall complete a postal form for a certificate of mailing for ballots mailed within the fifty (50) states, and it shall be stamped by the postal service when the ballots are mailed. An absentee ballot may be transmitted by facsimile machine to a resident of Kentucky who is a member of the Armed Forces, a dependent of a member of the Armed Forces, or a citizen residing overseas.
 - (4) Absentee ballots which are requested prior to the printing of the ballots shall be mailed by the county clerk to the voter within three (3) days of the receipt of the printed ballots; and absentee ballots which are requested subsequent to the receipt of the ballots by the county clerk shall be mailed to the voter within three (3) days of the receipt of the request.

The inner envelope shall be blank. The clerk shall retain the application and the postal form required by subsection (3) of this section for twenty-two (22) months after the election.
 - (7) Any person who has received an absentee ballot by mail but who knows at least seven (7) days before the date of the election that he will be in the county on election day and who has not voted pursuant to the provisions of KRS 117.086 shall cancel his absentee ballot and vote in person. He shall return his absentee ballot to the county clerk's office no later than seven (7) days prior to the date of the election. Upon the return of the absentee ballot, the clerk shall mark on the outer envelope of the sealed ballot or the unmarked ballot the words "Canceled because voter appeared to vote in person." Sealed envelopes so marked shall not be opened. The clerk shall remove the voter's name from the list of persons who were sent absentee ballots, and the voter may vote in the precinct in which he is properly registered.

The counters shall not be read consecutively along the party rows or columns, but shall always be read along the office columns or rows, completing the canvass for each office or question before proceeding to the next. The vote as registered shall be entered by the judges, in ink, on quadruplicate return sheets, and also on a general return sheet and statement, all of which, after the canvass is completed, shall be signed by the election officers. The total votes cast for each candidate, and slate of candidates, and for and against each question, shall be entered on the general and quadruplicate return sheets and statement. The proclamation of the result of the votes cast shall be announced distinctly and audibly by one (1) of the judges, who shall read the name and the vote cast for each candidate, and slate of candidates, and the vote for and against each question submitted. During the proclamation, ample opportunity shall be given to any person lawfully present to compare the results so announced with the counter dials of the voting equipment, and any necessary corrections shall be made by the judges, and the door or other cover of the voting equipment shall then be closed and locked.
- (4) If any officer shall decline to sign the return, he shall state his reason in writing, and a copy thereof, signed by him, shall be enclosed with the return. Following the tabulation of all votes cast in the election, including absentee votes and write-in votes, the county board shall mail the tabulation sheets showing the results from each precinct to the State Board of Elections and the county clerk shall mail or deliver the precinct lists from each precinct to the State Board of Elections.
- ~~(5) In primary elections at which each party's slates of candidates seeking the nomination of their parties for Governor and Lieutenant Governor are voted on, the Secretary of State, upon receiving the certified results of voting from each county's precincts for those offices, shall determine whether a runoff primary shall be necessary for either or both parties pursuant to KRS 118.245. The Secretary of State shall, within twenty four (24) hours of making his determination, inform the affected slates of candidates, the county clerks, the county boards of elections, the State Board of Elections, the Registry of Election Finance, and the news media of his determination, and the date of the runoff primary, which shall be subject to change if an election contest or vote recount shall be requested.~~

The two (2) judges shall return to the county clerk's office the locked ballot box, all ballot stubs, spoiled ballots, and unused ballots at the same time as the tabulation of votes from the voting machine is delivered. The county clerk shall issue a receipt for the number of ballot stubs, unused ballots, spoiled ballots and the ballot box. No person other than the candidate or slate of candidates shall contribute for special election expenses after the date of the special election.
- ~~(17)(18)~~ Nothing in subsections (14) to ~~(16)(17)~~ of this section shall be deemed to prohibit a slate of candidates from receiving transfers from the election campaign fund established by KRS 121A.020 for which it is eligible for matches of qualifying contributions received prior to the date of the election but for which no transfer from the fund had been made prior to the date of the election.
- ~~(18)(19)~~ The provisions of subsections (14) and ~~(15)(16)~~ of this section shall apply only to those candidates in a primary or regular election which shall be conducted subsequent to January 1, 1989. - ~~(19)(20)~~ A candidate, slate of candidates, or a campaign committee may solicit and accept contributions after the date of a primary election, ~~runoff primary election,~~ regular election, or special election to defray necessary expenses that arise after the date of the election associated with election contests, recounts, and recanvasses of a specific election, complaints regarding alleged campaign finance violations that are filed with the registry pertaining to a specific election, or other legal actions pertaining to a specific election to which a candidate, slate of candidates, or campaign committee is a party. Reports of contributions received and expenditures made after the date of the specific election shall be made in accordance with KRS 121.180.
- ~~(20)(21)~~ No slate of candidates for Governor and Lieutenant Governor or their immediate families shall loan any money, service, or other thing of value to their campaign, and all moneys, services, or other things of value which are loaned shall be deemed a contribution, which may not be recovered by the slate of candidates, except to the extent of a combined total of fifty thousand dollars (\$50,000).
- ~~(21)(22)~~ No candidate, slate of candidates, committee, except a political issues committee, or contributing organization, nor anyone on their behalf, shall knowingly accept a contribution from a corporation, directly or indirectly.
- ~~(22)(23)~~ Nothing in this section shall be construed to restrict the ability of a corporation to administer its permanent committee insofar as its actions can be deemed not to influence an election as prohibited by KRS 121.025.

Funds in a candidate's campaign account which are carried forward from one (1) election to another shall not be considered in calculating the acceptable percentage or dollar amount of contributions which may be accepted from permanent committees for the election for which the funds are carried forward. A candidate may, without penalty, contribute funds to his campaign account not later than sixty (60) days following the election so as not to exceed the permitted percentage or dollar amount of contributions which may be accepted from permanent committees or the candidate may, not later than sixty (60) days after the end of the

For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (1)1. or 2. of this subsection. A separate form shall be required for each primary,~~runoff primary,~~ regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (b) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any campaign finance reports required by subsections (3) and (4) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that currently no contributions have been received and that contributions will not be accepted or expended in excess of one thousand dollars (\$1,000) in any one (1) election. For a candidate for judicial office who desires to be exempt from filing any campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (1)1. or 2. of this subsection. A separate form shall be required for each primary,~~runoff primary,~~ regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline.~~For a runoff primary election, a slate of candidates shall file its request for exemption not later than five (5) days after the date of the preceding primary election and shall be bound by its terms unless rescinded in writing not later than ten (10) days after the date of the preceding primary election.~~ For a regular election, a candidate or slate of candidates shall file or rescind in writing a request for exemption not later than twenty-five (25) days after the date of the preceding primary election,~~or runoff primary, if one is held,~~ except as provided in subparagraph 2. of paragraph (d) of this subsection. A political issues committee chairman shall file a request for exemption not later than ten (10) days after the date on which the committee registers with the registry and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the date on which the request for exemption is filed.
- (d) 1. A candidate or slate of candidates that revokes a request for exemption in a timely manner may exercise the remaining option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars (\$3,000) in an election. - (h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

- (k) Except as provided in subparagraph 2. of paragraph (d) of this subsection, the campaign committee of any candidate or slate of candidates that has filed a request for exemption or a political issues committee whose chairman has filed a request for exemption shall be bound by its terms unless it is rescinded in a timely manner and no new request for exemption has been executed.
- (l) 1. Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate, slate of candidates, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that accepts contributions or makes expenditures, or whose campaign treasurer accepts contributions or makes expenditures, in excess of the applicable limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and, in lieu of other penalties prescribed by law, pay a fine of not more than five hundred dollars (\$500) plus the amount by which the spending limit was exceeded.

- (4) A slate of candidates for Governor and Lieutenant Governor that has filed a statement of intent to accept transfers from the fund and abide by the maximum expenditure limit that was not rescinded pursuant to KRS 121A.040(4) may receive contributions from permanent committees which, in the aggregate, shall not exceed twenty-five percent (25%) of the qualifying contributions received by the slate of candidates in any one (1) election. - (5) No slate of candidates for Governor and Lieutenant Governor shall knowingly accept any other campaign contribution during the twenty-eight (28) days immediately preceding a primary or regular election ~~and during the fourteen (14) days immediately preceding a runoff primary~~ except:
 - (a) A qualifying slate of candidates that has elected to become eligible for fund transfers or who may in the future elect to become eligible for fund transfers shall be released from expenditure limitations following a certification by the registry pursuant to KRS 121A.080 (3) or (4) ~~or (5)~~ that a slate of candidates that has not elected to become eligible for fund transfers has received contributions or made expenditures in excess of the expenditure limits provided in subsection (1) of this section; or

- (b) The matching ratio of fund transfers established in KRS 121A.060(3)(c) has been reduced by the registry pursuant to KRS 121A.080(2)~~(3)~~. If the registry reduces the matching ratio of fund transfers, a qualifying slate of candidates that has elected to become eligible for fund transfers or that may in the future elect to become eligible for fund transfers, may accept aggregate qualifying contributions which, when added to the maximum threshold qualifying amount established in KRS 121A.060(1) and the amount equal to the reduced matching ratio of fund transfers shall not exceed the expenditure limit established in subsection (1) of this section, unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080(3) or (4)~~or (5)~~.

Section 17. KRS 121A.040 is amended to read as follows:

- (3) A slate of candidates shall designate in the statement of intent whether the slate will accept or reject a transfer in either the primary or the regular election. A qualifying slate of candidates that receives a transfer from the fund in either the primary or regular election shall be bound by the contribution and expenditure limits of KRS 121A.030 and 121A.050 throughout the campaign. A slate of candidates that rejects expenditure limitations in a primary shall not be eligible to receive a transfer from the fund in ~~a runoff primary or~~ the regular election. A slate of candidates that accepts expenditure limitations in a primary shall not reject expenditure limitations in a regular election.
- (4)
 - (a) Prior to the payment by the registry of either a primary election transfer or a regular election transfer, a slate of candidates may rescind its statement of acceptance by filing a notice rescinding its acceptance not later than 4 p.m., prevailing time, not later than ten (10) calendar days after the date for filing nomination papers.
 - (b) A slate of candidates may rescind its statement of rejection if it has not received contributions or made expenditures in excess of the expenditure limit established by KRS 121A.030(1) by filing a notice rescinding its rejection not later than 4 p.m., prevailing time, not later than ten (10) calendar days after the date for filing nomination papers.

Section 18. KRS 121A.060 is amended to read as follows:

- (1) The minimum threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor in a primary or regular election that elects to be eligible to receive a transfer from the fund shall be three hundred thousand dollars (\$300,000) in qualifying contributions and the maximum threshold qualifying amount for a primary or regular election shall be six hundred thousand dollars (\$600,000) in qualifying contributions for any one (1) election. Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district. No qualifying slate of candidates shall accept qualifying contributions in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080(3) or (4)~~or (5)~~. A qualifying slate which discovers that it has received qualifying contributions in excess of the maximum threshold qualifying amount shall, without penalty, dispose of qualifying contributions received after the maximum threshold qualifying amount was reached by returning the excess contributions to the contributors. The excess contributions returned to the contributors shall not be considered as qualifying contributions and shall not be matched by transfers from the fund. After the expenditure limit amounts are adjusted under KRS 121A.030(1) in accordance with the consumer price index for all urban workers, the threshold qualifying amounts shall be increased or decreased accordingly. The adjusted maximum threshold qualifying amount shall be one-third (1/3) of the adjusted expenditure limit amount for a primary or regular election campaign, and the adjusted minimum threshold qualifying amount shall be one-half (1/2) of the adjusted maximum threshold qualifying amount. The registry shall make the adjustments in the threshold qualifying amounts in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election.
- (2) In order to become a qualifying slate of candidates for the purpose of receiving a transfer from the fund in a primary or regular election, or both, a slate of candidates shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.
- (3) The registry shall immediately review the request of a slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:
 - (a) A statement of intent accepting maximum expenditure limitations;
 - (b) A copy of the slate's nomination papers;
 - (c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio; and
 - (d) Any other information reasonably necessary that is required by the registry.

- (4) The registry shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) working days after the slate submits the required documentation.
- (5) The registry shall certify whether a slate of candidates is eligible to receive a regular election transfer not later than seven (7) working days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.
- (6) A separate determination and certification shall be made for a primary and a regular election.
- (7) The certification issued by the registry shall indicate:
 - (a) Whether a slate of candidates is eligible to receive a transfer; and
 - (b) The amount of fund transfers the slate of candidates is eligible to receive based on the amount of qualifying contributions that the slate has received at the time that it requests a transfer eligibility certification.
- (8) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election at the times and in the manner which the registry shall prescribe by administrative regulation.
- (9) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:
 - (a) State the reasons why the slate of candidates is not eligible to receive a transfer; and
 - (b) What action, if any, the slate of candidates may take to qualify for a transfer.
- (10) A slate of candidates may file with the registry a written request to review the determination of the registry no later than seven (7) calendar days after the date of certification. The registry shall issue a ruling not later than ten (10) days after receiving a request to review its determination.
- (11) A slate of candidates denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.
- ~~(12) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a qualifying slate of candidates was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).~~
- ~~(13) No qualifying slate of candidates seeking its party's nomination for Governor and Lieutenant Governor shall be eligible to receive transfers from the fund in a primary or regular election unless at least one (1) opposing slate of candidates has received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount established in subsection (1) of this section. After this requirement has been met in a primary or regular election, qualifying slates may independently qualify for subsequent transfers in that election without regard to the ability of another qualifying slate in that election to qualify for subsequent transfers in that election.~~

Section 19. KRS 121A.080 is amended to read as follows:

- (1) If the registry certifies that a qualifying slate of candidates is eligible to receive a transfer from the fund, the slate may submit a transfer entitlement voucher to the registry, complying with the procedures of subsection ~~(6)~~~~(7)~~ of this section. Qualifying slates of candidates may receive transfers from the fund according to the matching ratio and threshold levels of qualifying contributions received specified in KRS 121A.060(3)(c) and 121A.060(1), respectively. Subject to subsections ~~(3)~~~~(4)~~ and ~~(4)~~~~(5)~~ of this section, a transfer entitlement voucher may document total qualifying contributions of not less than three hundred thousand dollars (\$300,000) but not more than six hundred thousand dollars (\$600,000) for a primary or regular election for receipt of total fund transfers equal to twice the amount of qualifying contributions documented. A qualifying slate may submit multiple transfer entitlement vouchers as additional qualifying contributions are received in an election, but the maximum amount of fund transfers a slate may receive in a primary or regular election shall not exceed one million two hundred thousand dollars (\$1,200,000), subject to the provisions of subsections ~~(3)~~~~(4)~~ and ~~(4)~~~~(5)~~ of this section.
- ~~(2) The fund transfer which a qualifying slate of candidates for Governor and Lieutenant Governor in a runoff primary may receive shall be three hundred thousand dollars (\$300,000).~~
- ~~(3) The fund transfer amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment annually, beginning in 1996, and in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election. If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that the existing appropriations in the fund are insufficient to cover the anticipated fund transfers, the registry shall reduce the matching ratio to the ratio the registry determines so as not to exceed the amount of the fund. If the matching ratio is reduced for a primary election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the primary election. If the matching ratio is reduced for a regular election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the regular election.~~

- ~~(3)~~~~(4)~~(a) If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that in the course of a primary election~~, runoff primary election,~~ or regular election campaign a slate of candidates for Governor and Lieutenant Governor that has not accepted the provisions of this chapter has received contributions or made expenditures in excess of the expenditure limit as provided in KRS 121A.030(1), the registry shall certify that those slates of candidates that have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers shall be released from expenditure limitations and may receive and submit for fund transfers qualifying contributions in excess of six hundred thousand dollars (\$600,000). Slates of candidates released from expenditure limitations in a primary or regular election shall continue to be eligible to receive transfers from the fund~~. A slate of candidates that is released from expenditure limitations in a runoff primary shall not be eligible for transfers from the fund in excess of three hundred thousand dollars (\$300,000), but shall be eligible to accept qualifying contributions for the runoff primary~~;
- (b) The registry shall conduct a public hearing within three (3) days after any report submitted to the registry by a campaign committee of a slate of candidates indicates that the slate of candidates has, or may have, received contributions or made expenditures in excess of the expenditure limits as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing; and
- (c) A public hearing shall be conducted within three (3) days upon petition to the registry by a slate of candidates that, based upon its knowledge and belief, another slate of candidates has, or may have, received contributions in excess of the expenditure limitations as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing.
- ~~(4)~~~~(5)~~ Nothing in this section shall prevent any slate of candidates from notifying the registry in writing that its campaign committee has received contributions or made expenditures in excess of the expenditure limitations as provided in KRS 121A.030(1). In that case, no public hearing shall be held and the registry shall certify that those slates of candidates who have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers for that election shall be released from expenditure limitations for that election and shall continue to be eligible to receive transfers from the fund if qualified by law.
- ~~(5)~~~~(6)~~ A slate of candidates shall establish a separate candidate campaign account for each primary~~, runoff primary,~~ and regular election in which it participates. The unexpended balance of contributions and fund transfers in a candidate campaign account of a slate of candidates which remains after all financial obligations of the particular election for which the account is established have been satisfied shall be forwarded to the registry for deposit in the fund when the account is closed. The payment to the fund shall be made not later than ten (10) working days after the candidate campaign account for a particular election is closed. Funds in the candidate campaign account of a slate of candidates shall be expended only for expenses incurred in the particular election for which the account is established and shall not be used to pay expenses incurred in any other election or for any other purpose.
- ~~(6)~~~~(7)~~ To receive fund transfers for which it is eligible, each qualifying slate of candidates shall submit to the registry at the times and in the form and manner the registry may require, a transfer entitlement voucher. The voucher shall include the full name of all persons making a contribution to the campaign committee of the slate of candidates together with the date, the exact amount of the contribution, the specific address of the contributor, the congressional district in which the contributor resides, the occupation and employer of the contributor and the spouse of the contributor, or, if the contributor or the spouse of contributor is self-employed, the name under which he is doing business.
- ~~(7)~~~~(8)~~ Within three (3) working days of the receipt of the voucher, the registry shall:
- (a) Make a determination, according to the procedures the registry may establish by administrative regulation, whether each contribution enumerated on the voucher is consistent with the provisions of this chapter;
 - (b) Certify for payment to the qualifying slate of candidates the amount of fund transfer for which it is eligible; and
 - (c) Promptly upon certification, issue a warrant on the fund for a transfer to the qualifying slate of candidates or its authorized treasurer in the amount certified by the registry.
- ~~(8)~~~~(9)~~ For the purpose of financing primary election campaigns, the registry shall make no transfer to a qualifying slate of candidates entitled to transfers from the fund earlier than January 1 of a year in which the Governor and Lieutenant Governor are elected.
- ~~(9)~~~~(10)~~ Transfers from the fund for a regular election campaign shall not be made earlier than the date the results of the primary election preceding the regular election of a year in which the Governor and Lieutenant Governor are elected are certified. If a qualifying slate of candidates is unopposed in a primary election, or has no opposition that has received contributions of not less than the threshold qualifying amount for the primary election, the registry shall make no transfer to that slate from the fund for the primary election. If a qualifying slate of candidates is unopposed in a regular election, or has no opposition that has received contributions of not less than the minimum threshold qualifying amount for the regular election, the registry shall make no transfer to that slate from the fund for the regular election.
- ~~(10)~~~~(11)~~ If a vacancy occurs in a slate of candidates before the ballots are printed for the primary election because of death,

disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry not later than the deadline for printing primary election ballots, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a vacancy occurs in a slate of candidates after the ballots are printed for the primary election, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry prior to the primary election, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a replacement for a vacant candidate is made after the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, notices informing the voters of the change in the composition of the slate shall be posted at each precinct polling place.

~~(11)~~~~(12)~~ The provisions of KRS 118.105 shall apply to vacancies occurring in the nomination of a qualifying slate of candidates.

~~(12)~~~~(13)~~ If during the course of a primary or regular election, a qualifying slate of candidates withdraws, is otherwise removed from the ballot, becomes the only slate of candidates for a party nomination or election on the ballot, or if both candidates on the slate die, the registry shall certify and pay on vouchers previously submitted by that slate, but any subsequent vouchers submitted by that slate shall not be certified nor shall transfers be made.

~~(13)~~~~(14)~~ The registry shall not certify any contribution made to a qualifying slate of candidates entitled to transfers from the fund, which, when added to other contributions made by the same contributor to the slate in connection with the primary election and in connection with the regular election, violates the provisions of KRS 121A.050 or 121.150.

~~(14)~~~~(15)~~ The registry shall perform a continuing audit of all slates of candidates for Governor and Lieutenant Governor to ensure that they are in compliance with this chapter and the election laws of the Commonwealth.

Section 20. KRS 121A.100 is amended to read as follows:

- (1) Any qualifying slate of candidates that elects to receive a transfer from the fund shall participate preceding any primary, ~~runoff primary, if one is held,~~ and regular election in which it participates, in a year in which the Governor and Lieutenant Governor are elected, in a reasonable number of televised candidate forums or debates managed and designed by the Kentucky Authority for Educational Television in a manner to ensure participation by all slates of candidates. However, a qualifying slate of candidates that elects to receive a transfer from the fund shall not be required to participate in more than six (6) televised candidate forums or debates preceding a primary, ~~one (1) preceding a runoff primary,~~ or six (6) preceding a regular election. The authority shall make the televised candidate forums or debates available at no charge to all other media. The authority shall promulgate administrative regulations necessary to implement the requirements of this subsection.
- (2) All programming decisions concerning televised candidate forums or debates shall be the ultimate responsibility of the Kentucky Authority for Educational Television. The authority shall maintain editorial integrity in accordance with accepted public broadcasting principles. No appointed or elected state officeholder or any other person shall directly or indirectly attempt to secure or create privileges, exemptions, or advantages for himself or others in derogation of the public interest at large in a manner that seeks to leave any person assigned responsibility for candidate forum or debate programming decisions no alternative but to comply with the wishes of the officeholder or person. Persons assigned candidate forum or debate programming decisions shall be free of obligation or the appearance of obligation to any interest other than the public right to know. It shall not be considered a violation of this subsection for an officeholder or other person to seek remedies in a court of law to any programming decision he considers to be an abridgement of his legal rights.
- (3) The registry shall promulgate administrative regulations which prescribe the grounds for which failure of a qualifying slate of candidates to participate in any of the televised candidate forums or debates required by subsection (1) of this section shall be excused and the process by which a qualifying slate of candidates shall inform the registry of the grounds for its failure to participate.
- (4) If the registry determines that failure of a qualifying slate of candidates to participate in any televised candidate forum or debate required by subsection (1) of this section was not justified, no fund transfer shall be made to the slate for that election if it shall be otherwise qualified to receive one. If the registry determines that a slate that has already received a fund transfer has unjustifiably failed to participate in any required televised candidate forum or debate, the slate's campaign committee shall reimburse the fund the amount of the transfer within thirty (30) days of the date on which the registry's determination becomes final. If the slate's campaign committee has not reimbursed the fund the amount of the transfer within the thirty (30) day period, the slate shall be personally liable to the fund for the transfer amount to be reimbursed. A slate of candidates may appeal an adverse ruling by the registry within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

The proclamation of the result of the votes cast shall be announced distinctly and audibly by one (1) of the judges, who shall read the name and the vote cast for each candidate, and slate of candidates, and the vote for and against each question submitted. During the proclamation, ample opportunity shall be given to any person lawfully present to compare the results so announced with the counter dials of the voting equipment, and any necessary corrections shall be made by the judges, and the door or other cover of the voting equipment shall then be closed and locked.

- (2) During the period when the machine is required to be kept locked, the keys thereto shall remain in the possession of the county board of elections. After that period, it shall be the duty of the county board of elections to return the keys to the custody of the county clerk.

- (h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

A contributing organization shall file a report of contributions received and expenditures made on forms prescribed by the registry not later than the last day of each calendar quarter in which contributions are received or expenditures are made. All reports to the registry shall be postmarked or received not later than five (5) days after each filing deadline.
- (7) If the final statement of a candidate, campaign committee, or political issues committee shows an unexpended balance of contributions, continuing debts and obligations, or an expenditure deficit, the campaign treasurer shall file with the registry a supplemental statement of contributions and expenditures not more than thirty (30) days after the deadline for filing the final statement. The excess contributions returned to the contributors shall not be considered as qualifying contributions and shall not be matched by transfers from the fund. After the expenditure limit amounts are adjusted under KRS 121A.030(1) in accordance with the consumer price index for all urban workers, the threshold qualifying amounts shall be increased or decreased accordingly. The adjusted maximum threshold qualifying amount shall be one-third (1/3) of the adjusted expenditure limit amount for a primary or regular election campaign, and the adjusted minimum threshold qualifying amount shall be one-half (1/2) of the adjusted maximum threshold qualifying amount. The registry shall make the adjustments in the threshold qualifying amounts in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election.

- (2) In order to become a qualifying slate of candidates for the purpose of receiving a transfer from the fund in a primary or regular election, or both, a slate of candidates shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

 - (a) A statement of intent accepting maximum expenditure limitations;
 - (b) A copy of the slate's nomination papers;
 - (c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio; and
 - (d) Any other information reasonably necessary that is required by the registry.
- (4) The registry shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) working days after the slate submits the required documentation.
- (5) The registry shall certify whether a slate of candidates is eligible to receive a regular election transfer not later than seven (7) working days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.
- (6) A separate determination and certification shall be made for a primary and a regular election.
- (7) The certification issued by the registry shall indicate:

 - (b) The amount of fund transfers the slate of candidates is eligible to receive based on the amount of qualifying contributions that the slate has received at the time that it requests a transfer eligibility certification.
- (8) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election at the times and in the manner which the registry shall prescribe by administrative regulation.
- (9) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

- ~~(12) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a qualifying slate of candidates was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).~~
- ~~(13)~~ No qualifying slate of candidates seeking its party's nomination for Governor and Lieutenant Governor shall be eligible to receive transfers from the fund in a primary or regular election unless at least one (1) opposing slate of candidates has received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount established in subsection (1) of this section. After this requirement has been met in a primary or regular election, qualifying slates may independently qualify for subsequent transfers in that election without regard to the ability of another qualifying slate in that election to qualify for subsequent transfers in that election.

Section 19. KRS 121A.080 is amended to read as follows:

- (1) If the registry certifies that a qualifying slate of candidates is eligible to receive a transfer from the fund, the slate may submit a transfer entitlement voucher to the registry, complying with the procedures of subsection ~~(6)(7)~~ of this section. Qualifying slates of candidates may receive transfers from the fund according to the matching ratio and threshold levels of qualifying contributions received specified in KRS 121A.060(3)(c) and 121A.060(1), respectively. Subject to subsections ~~(3)(4)~~ and ~~(4)(5)~~ of this section, a transfer entitlement voucher may document total qualifying contributions of not less than three hundred thousand dollars (\$300,000) but not more than six hundred thousand dollars (\$600,000) for a primary or regular election for receipt of total fund transfers equal to twice the amount of qualifying contributions documented. A qualifying slate may submit multiple transfer entitlement vouchers as additional qualifying contributions are received in an election, but the maximum amount of fund transfers a slate may receive in a primary or regular election shall not exceed one million two hundred thousand dollars (\$1,200,000), subject to the provisions of subsections ~~(3)(4)~~ and ~~(4)(5)~~ of this section.
- ~~(2) The fund transfer which a qualifying slate of candidates for Governor and Lieutenant Governor in a runoff primary may receive shall be three hundred thousand dollars (\$300,000).~~
- ~~(3)~~ The fund transfer amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment annually, beginning in 1996, and in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election. If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that the existing appropriations in the fund are insufficient to cover the anticipated fund transfers, the registry shall reduce the matching ratio to the ratio the registry determines so as not to exceed the amount of the fund. If the matching ratio is reduced for a primary election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the primary election. If the matching ratio is reduced for a regular election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the regular election.
- ~~(3)(4)~~(a) If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that in the course of a primary election ~~runoff primary election,~~ or regular election campaign a slate of candidates for Governor and Lieutenant Governor that has not accepted the provisions of this chapter has received contributions or made expenditures in excess of the expenditure limit as provided in KRS 121A.030(1), the registry shall certify that those slates of candidates that have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers shall be released from expenditure limitations and may receive and submit for fund transfers qualifying contributions in excess of six hundred thousand dollars (\$600,000). Slates of candidates released from expenditure limitations in a primary or regular election shall continue to be eligible to receive transfers from the fund ~~A slate of candidates that is released from expenditure limitations in a runoff primary shall not be eligible for transfers from the fund in excess of three hundred thousand dollars (\$300,000), but shall be eligible to accept qualifying contributions for the runoff primary;~~
- (b) The registry shall conduct a public hearing within three (3) days after any report submitted to the registry by a campaign committee of a slate of candidates indicates that the slate of candidates has, or may have, received contributions or made expenditures in excess of the expenditure limits as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing; and
- (c) A public hearing shall be conducted within three (3) days upon petition to the registry by a slate of candidates that, based upon its knowledge and belief, another slate of candidates has, or may have, received contributions in excess of the expenditure limitations as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing.
- ~~(4)(5)~~ Nothing in this section shall prevent any slate of candidates from notifying the registry in writing that its campaign committee has received contributions or made expenditures in excess of the expenditure limitations as provided in KRS 121A.030(1). In that case, no public hearing shall be held and the registry shall certify that those slates of candidates who have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers for that election shall be released from expenditure limitations for that election and shall continue to be eligible to receive transfers from the fund if qualified by law.
- ~~(5)(6)~~ A slate of candidates shall establish a separate candidate campaign account for each primary ~~runoff primary,~~ and regular election in which it participates. The unexpended balance of contributions and fund transfers in a candidate campaign account of a slate of candidates which remains after all financial obligations of the particular election for which the account is established have been satisfied shall be forwarded to the registry for deposit in the fund when the account is closed. The payment to the fund shall be made not later than ten (10) working days after the candidate campaign account for a particular election is closed. Funds in the candidate campaign account of a slate of candidates shall be expended only for expenses incurred in the particular election for which the account is established and shall not be used to pay expenses incurred in any other election or for any other purpose.
- ~~(6)(7)~~ To receive fund transfers for which it is eligible, each qualifying slate of candidates shall submit to the registry at the times and in the form and manner the registry may require, a transfer entitlement voucher. The voucher shall include the

full name of all persons making a contribution to the campaign committee of the slate of candidates together with the date, the exact amount of the contribution, the specific address of the contributor, the congressional district in which the contributor resides, the occupation and employer of the contributor and the spouse of the contributor, or, if the contributor or the spouse of contributor is self-employed, the name under which he is doing business.

~~(7)(8)~~ Within three (3) working days of the receipt of the voucher, the registry shall:

- (a) Make a determination, according to the procedures the registry may establish by administrative regulation, whether each contribution enumerated on the voucher is consistent with the provisions of this chapter;
- (b) Certify for payment to the qualifying slate of candidates the amount of fund transfer for which it is eligible; and
- (c) Promptly upon certification, issue a warrant on the fund for a transfer to the qualifying slate of candidates or its authorized treasurer in the amount certified by the registry.

~~(8)(9)~~ For the purpose of financing primary election campaigns, the registry shall make no transfer to a qualifying slate of candidates entitled to transfers from the fund earlier than January 1 of a year in which the Governor and Lieutenant Governor are elected.

~~(9)(10)~~ Transfers from the fund for a regular election campaign shall not be made earlier than the date the results of the primary election preceding the regular election of a year in which the Governor and Lieutenant Governor are elected are certified. If a qualifying slate of candidates is unopposed in a primary election, or has no opposition that has received contributions of not less than the threshold qualifying amount for the primary election, the registry shall make no transfer to that slate from the fund for the primary election. If a qualifying slate of candidates is unopposed in a regular election, or has no opposition that has received contributions of not less than the minimum threshold qualifying amount for the regular election, the registry shall make no transfer to that slate from the fund for the regular election.

~~(10)(11)~~ If a vacancy occurs in a slate of candidates before the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry not later than the deadline for printing primary election ballots, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a vacancy occurs in a slate of candidates after the ballots are printed for the primary election, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry prior to the primary election, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a replacement for a vacant candidate is made after the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, notices informing the voters of the change in the composition of the slate shall be posted at each precinct polling place.

~~(11)(12)~~ The provisions of KRS 118.105 shall apply to vacancies occurring in the nomination of a qualifying slate of candidates.

~~(12)(13)~~ If during the course of a primary or regular election, a qualifying slate of candidates withdraws, is otherwise removed from the ballot, becomes the only slate of candidates for a party nomination or election on the ballot, or if both candidates on the slate die, the registry shall certify and pay on vouchers previously submitted by that slate, but any subsequent vouchers submitted by that slate shall not be certified nor shall transfers be made.

~~(13)(14)~~ The registry shall not certify any contribution made to a qualifying slate of candidates entitled to transfers from the fund, which, when added to other contributions made by the same contributor to the slate in connection with the primary election and in connection with the regular election, violates the provisions of KRS 121A.050 or 121.150.

~~(14)(15)~~ The registry shall perform a continuing audit of all slates of candidates for Governor and Lieutenant Governor to ensure that they are in compliance with this chapter and the election laws of the Commonwealth.

Section 20. KRS 121A.100 is amended to read as follows:

- (1) Any qualifying slate of candidates that elects to receive a transfer from the fund shall participate preceding any primary, ~~runoff primary, if one is held,~~ and regular election in which it participates, in a year in which the Governor and Lieutenant Governor are elected, in a reasonable number of televised candidate forums or debates managed and designed by the Kentucky Authority for Educational Television in a manner to ensure participation by all slates of candidates. However, a qualifying slate of candidates that elects to receive a transfer from the fund shall not be required to participate in more than six (6) televised candidate forums or debates preceding a primary, ~~one (1) preceding a runoff primary,~~ or six (6) preceding a regular election. The authority shall make the televised candidate forums or debates available at no charge to all other media. The authority shall promulgate administrative regulations necessary to implement the requirements of this subsection.
- (2) All programming decisions concerning televised candidate forums or debates shall be the ultimate responsibility of the Kentucky Authority for Educational Television. The authority shall maintain editorial integrity in accordance with accepted public broadcasting principles. No appointed or elected state officeholder or any other person shall directly or

indirectly attempt to secure or create privileges, exemptions, or advantages for himself or others in derogation of the public interest at large in a manner that seeks to leave any person assigned responsibility for candidate forum or debate programming decisions no alternative but to comply with the wishes of the officeholder or person. Persons assigned candidate forum or debate programming decisions shall be free of obligation or the appearance of obligation to any interest other than the public right to know. It shall not be considered a violation of this subsection for an officeholder or other person to seek remedies in a court of law to any programming decision he considers to be an abridgement of his legal rights.

- (3) The registry shall promulgate administrative regulations which prescribe the grounds for which failure of a qualifying slate of candidates to participate in any of the televised candidate forums or debates required by subsection (1) of this section shall be excused and the process by which a qualifying slate of candidates shall inform the registry of the grounds for its failure to participate.
- (4) If the registry determines that failure of a qualifying slate of candidates to participate in any televised candidate forum or debate required by subsection (1) of this section was not justified, no fund transfer shall be made to the slate for that election if it shall be otherwise qualified to receive one. If the registry determines that a slate that has already received a fund transfer has unjustifiably failed to participate in any required televised candidate forum or debate, the slate's campaign committee shall reimburse the fund the amount of the transfer within thirty (30) days of the date on which the registry's determination becomes final. If the slate's campaign committee has not reimbursed the fund the amount of the transfer within the thirty (30) day period, the slate shall be personally liable to the fund for the transfer amount to be reimbursed. A slate of candidates may appeal an adverse ruling by the registry within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

HB 424, AN ACT relating to elections.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 117.275 is amended to read as follows:

- (1) At the count of the votes in any precinct, any candidate or slate of candidates and any representatives to witness and check the count of the votes therein, who are authorized to be appointed as is provided in subsection (7) of this section, shall be admitted and be permitted to be present and witness the count.
- (2) As soon as the polls are closed, and the last voter has voted, the judges shall immediately lock and seal the operating lever, mechanism or other device of the voting equipment so that the voting and counting mechanism will be prevented from operation, and they shall sign a certificate stating:
 - (a) That the voting equipment has been locked against voting and sealed;
 - (b) The number of voters, as shown on the public counters;
 - (c) The number registered on the protective or accumulative counter or device, if any; and
 - (d) The number or other designation of the voting equipment, which certificate shall be returned by the judges of election to the officials authorized by law to receive it. The judges shall compare the number of voters, as shown by the counter of the voting equipment, with the number of those who have voted as shown by the protective or accumulative counter or device, if any.
- (3) Where voting equipment is used which does not print the candidates' names, lever numbers, and total votes received on a general return sheet or record for that equipment, the procedure to be followed shall be: the judges, in the presence of the representatives mentioned in subsection (1) of this section, if any, and of all other persons who may be lawfully within the polling place, shall make visible the registering counters, and, for that purpose, shall unlock and open the doors, or other covering concealing the counters, giving full view of all the counter numbers. The judges shall, under the scrutiny of the representatives, and in the order of the offices as their titles are arranged on the machine, read and announce, in distinct tones, the results as shown by the counter numbers for each candidate or slate of candidates and for and against each question voted on. The counters shall not be read consecutively along the party rows or columns, but shall always be read along the office columns or rows, completing the canvass for each office or question before proceeding to the next. The vote as registered shall be entered by the judges, in ink, on quadruplicate return sheets, and also on a general return sheet and statement, all of which, after the canvass is completed, shall be signed by the election officers. The total votes cast for each candidate, and slate of candidates, and for and against each question, shall be entered on the general and quadruplicate return sheets and statement. The proclamation of the result of the votes cast shall be announced distinctly and audibly by one (1) of the judges, who shall read the name and the vote cast for each candidate, and slate of candidates, and the vote for and against each question submitted. During the proclamation, ample opportunity shall be given to any person lawfully present to compare the results so announced with the counter dials of the voting equipment, and any necessary corrections shall be made by the judges, and the door or other cover of the voting equipment shall then be closed and locked.

- (4) If any officer shall decline to sign the return, he shall state his reason in writing, and a copy thereof, signed by him, shall be enclosed with the return. Each of the return sheets shall be enclosed in an envelope, which shall be securely sealed, and each of the officers shall write his name across the fold of the envelope. One (1) of the quadruplicate return sheets, along with the general return sheet and the write-in roll, if any write-in votes were cast in the precinct, shall be directed to the county board of elections of the county in which the election is being held, one (1) to the county clerk of the county in which the election is being held and one (1) to the local governing body of each of the two (2) dominant political parties, but a local governing body of a dominant political party may decline a copy of the precinct election return by filing a written declination with the county board of elections prior to the election, and upon this declination, a printed copy shall not be issued to the political party so declining. The declination on file shall be effective for that election and any subsequent elections until revoked by the local governing body of a dominant political party by filing a written revocation with the county board of elections. The envelope shall have endorsed thereon a certificate of the election officers, stating the number of the machine, the precinct where it has been used, the number on the seal, and the number on the protective or accumulative counter or device at the close of the polls. Following the tabulation of all votes cast in the election, including absentee votes and write-in votes, the county board shall mail the tabulation sheets showing the results from each precinct to the State Board of Elections and the county clerk shall mail or deliver the precinct lists from each precinct to the State Board of Elections.
- (5) In primary elections at which each party's slates of candidates seeking the nomination of their parties for Governor and Lieutenant Governor are voted on, the Secretary of State, upon receiving the certified results of voting from each county's precincts for those offices, shall determine whether a runoff primary shall be necessary for either or both parties pursuant to KRS 118.245. The Secretary of State shall, within twenty-four (24) hours of making his determination, inform the affected slates of candidates, the county clerks, the county boards of elections, the State Board of Elections, the Registry of Election Finance, and the news media of his determination, and the date of the runoff primary, which shall be subject to change if an election contest or vote recount shall be requested.
- (6) As soon as possible after the completion of the count, the two (2) judges shall return to the county board of elections the keys to the voting machine received and receipted for by them, and the county clerk in which the precinct is located shall have the voting machine properly boxed or securely covered and removed to a proper and secure place of storage.
- (7) In primary elections, each candidate, slate of candidates, or group of candidates may designate to the county board of elections a representative to witness and check the vote count. In regular elections, the governing authority of each political party, each candidate for member of board of education, independent candidate, or independent ticket may designate a representative to the county board of elections to witness and check the vote count. The county board of elections shall authorize representatives of the news media to observe the taking of the tally of votes from the voting machine in each precinct in each primary, regular or special election.
- (8) If supplemental paper ballots have been approved, as provided in KRS 118.215, after the polls are closed, the precinct election officials shall stamp "Unused" on all supplemental paper ballots not used. The election officers shall string all used ballots' stubs upon a string provided for that purpose, and the stubs shall be placed in an envelope. The two (2) judges shall return to the county clerk's office the locked ballot box, all ballot stubs, spoiled ballots, and unused ballots at the same time as the tabulation of votes from the voting machine is delivered. The county clerk shall issue a receipt for the number of ballot stubs, unused ballots, spoiled ballots and the ballot box. The county board of elections, or its designee, shall count and tally the paper ballots manually or with the use of tabulating equipment which does not involve an additional voting system. The results of the vote tally shall be certified by the county board of elections to the county clerk and to the Secretary of State. The county board of elections shall authorize the candidates, slates of candidates, or their representatives, and representatives of the news media to be present during the counting of the paper ballots. Except as otherwise required in this chapter that certain records and papers relating to specified elections be retained for twenty-two (22) months, the county clerk shall retain the paper ballots for sixty (60) days, after which time they shall be destroyed in a manner to render them unreadable by the county board of elections if no contest or recount action has been filed.

HB 454, AN ACT relating to the Interstate Compact for Adult Offender Supervision and matters incidental to the adoption thereof.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 439 IS CREATED TO READ AS FOLLOWS:

- (1) *The Governor of this Commonwealth is authorized and directed to execute a compact on behalf of the Commonwealth with any of the United States legally joining therein in the form substantially as follows:*

ARTICLE I

PURPOSE

The compacting states to this Interstate Compact recognize that each state is responsible for the supervision of adult offenders in the community who are authorized pursuant to the bylaws and rules of this compact to travel across state lines both to and from each compacting state in such a manner as to track the location of offenders, transfer supervision authority

in an orderly and efficient manner, and when necessary return offenders to the originating jurisdictions.

The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C. Section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

It is the purpose of this compact and the interstate commission created hereunder, through means of joint and cooperative action among the compacting states: to provide the framework for the promotion of public safety and protect the rights of victims through the control and regulation of the interstate movement of offenders in the community; to provide for the effective tracking, supervision, and rehabilitation of these offenders by the sending and receiving states; and to equitably distribute the costs, benefits and obligations of the compact among the compacting states.

In addition, this compact will: create a interstate commission which will establish uniform procedures to manage the movement between states of adults placed under community supervision and released to the community under the jurisdiction of courts, paroling authorities, corrections or other criminal justice agencies which will promulgate rules to achieve the purpose of this compact; ensure an opportunity for input and timely notice to victims and to jurisdictions where defined offenders are authorized to travel or to relocate across state lines; establish a system of uniform data collection, access to information on active cases by authorized criminal justice officials, and regular reporting of compact activities to heads of state councils, state executive, judicial, and legislative branches and criminal justice administrators; monitor compliance with rules governing interstate movement of offenders and initiate interventions to address and correct noncompliance; and coordinate training and education regarding regulations of interstate movement of offenders for officials involved in such activity.

The compacting states recognize that there is no "right" of any offender to live in another state and that duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any offender under supervision subject to the provisions of this compact and bylaws and rules promulgated hereunder.

It is the policy of the compacting states that the activities conducted by the interstate commission created herein are the formation of public policies and are therefore public business.

3. Each member of the interstate commission shall have the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the interstate commission. A member shall vote in person on behalf of the state and shall not delegate a vote to another member state. However, a state council shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the member state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication. Any voting conducted by telephone, or other means of telecommunication or electronic communication, shall be subject to the same quorum requirements of meetings where members are present in person.

4. The interstate commission shall meet at least once during each calendar year. The chairperson of the interstate commission may call additional meetings at any time and, upon the request of a majority of the members, shall call additional meetings.

The interstate commission's bylaws shall establish conditions and procedures under which the interstate commission shall make its information and official records available to the public for inspection or copying. The interstate commission may exempt from disclosure any information or official records to the extent they would adversely affect personal privacy rights or proprietary interests. In promulgating such rules, the interstate commission may make available to law enforcement agencies records and information otherwise exempt from disclosure, and may enter into agreements with law enforcement agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

6. Public notice shall be given of all meetings, and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The interstate commission shall promulgate rules consistent with the principles contained in the "Government in Sunshine Act," 5 U.S.C. Section 552(b), as may be amended. The interstate commission and any of its committees may close a meeting to the public where it determines by two-thirds vote that an open meeting would be likely to:

- b. Disclose matters specifically exempted from disclosure by statute;
- c. Disclose trade secrets or commercial or financial information which is privileged or confidential;
- d. Involve accusing any person of a crime, or formally censuring any person;

The interstate commission shall keep minutes which shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any roll call vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

8. The interstate commission shall collect standardized data concerning the interstate movement of offenders as directed through its bylaws and rules which shall specify the data to be collected, the means of collection, and data exchange and reporting requirements.

If the court finds that the interstate commission's action is not supported by substantial evidence (as defined in the APA) in the rulemaking record, the court shall hold the rule unlawful and set it aside.

7. Subjects to the addressed within 12 months after the first meeting must at a minimum include:

Section 17. KRS 351.193 is amended to read as follows:

No miner shall be required to operate any equipment or work in any condition which he reasonably believes to be unsafe. If the miner invokes his ~~or her~~ safety rights under this section, the miner shall have the right to be relieved from the assignment in dispute. The employee may be assigned to correct the condition or may be assigned to other duties until such time as the condition is resolved or corrected. No other miner shall be assigned to perform this job until the condition is corrected. The miner or his authorized representative and the company shall review the condition immediately and attempt to resolve the dispute. Should the miner not have an authorized representative, he may represent himself in the dispute. If the dispute is not settled by the company and the miner or his ~~or her~~ authorized representative, either party reserves the right to call in the commissioner or his authorized representative immediately and the dispute shall be settled on the basis of the inspector's finding with a written copy of his finding given to the company and the miner and his authorized representative. In the event no representative of the miner exists, the employee shall have the right to have the dispute resolved based on the inspector's findings. The licensee, coal operation, or other person against whom the allegations are made shall be given not less than twenty (20) days' written notice of the charges against him, together with the date, time, and place at which the charges shall be heard, and of his opportunity to be represented by counsel, produce evidence and witnesses on his behalf, and examine the evidence and documents that may be produced against him. The board may also be represented by counsel and shall not be bound by the technical rules of evidence, but its order shall be based upon competent evidence. Any licensee or other person summoned to appear at a hearing in the manner established in this subsection may, in writing, waive the notice required to be given to him.
- (3) The board may proceed with its hearing of charges made by the department against any licensee, coal operation, or other person who, after being duly notified in accordance with the requirements of this section, fails to appear at or participate in the hearing and who fails to assert any legitimate basis for the failure.
- (4) Within ninety (90) days after hearing, the board shall issue an order in which it sets out its determinations concerning each matter coming before it. - (2) The following shall apply to surface installations:
- (a) High-voltage lines shall be at least twenty (20) feet above the ground where there is a possibility of contact by traffic passing underneath;
 - (b) Protective barriers shall be so constructed between high-voltage wires and telephone wires, trolley circuits, and any other similar conveyor wires or circuits as to prevent their failure by the falling of the high tension lines across the other circuits, wires, or conveyors;
 - (c) On four (4) wire circuits, the fourth or neutral wire terminating at transformers, or elsewhere, shall be of substantial construction to minimize any possibility of the wire being severed~~cut in two (2)~~ or damaged mechanically;
 - (d) On low-voltage circuits, wires shall be supported on insulators except when cables made for use without insulators, which are of a design that can be safely used without insulators, are used;

- (b) The department may prescribe ~~any other~~ administrative regulations with respect to the aboveground or underground installations in connection with any mine operation when information is made available indicating that regulation is reasonably necessary to prevent injury to, or loss of, life and property.

Section 22. KRS 352.230 is amended to read as follows:

- (1) ~~After June 16, 1972,~~ All electrical equipment purchased for face use in underground mines shall be of the permissible type. The commissioner or his authorized representative shall reject any modification to mining equipment which would endanger the health or safety of employees.

- (2) No person shall be placed in charge of electrical face equipment in any mine unless he is a qualified person, capable of determining the safety of the roof, face, and ribs of the working places and detecting the presence of explosive gas ~~where necessary~~. Operators of electrical face equipment shall undergo an examination to determine their fitness to detect explosive gas before they are permitted to have charge of electric face equipment and shall have a minimum of forty-five (45) days of actual mining experience. Safety committeemen, shotfirers, and others whose duty may require them to make examination for gas shall undergo and pass an examination or possess a mine foreman's certificate before using a flame-safety lamp underground. The examination shall be given by the mine inspector, blank forms therefor to be furnished by the department. A copy shall be retained on file at the mine office and the original shall be sent to the department fully made out and signed by the applicant and approved by the mine inspector.
- (3) No electric face equipment shall be brought ~~in by~~ ~~within the~~ last breakthrough next to the working face until the equipment operator has made an inspection for explosive gas using a flame-safety lamp or other approved device or instrument in the place where the equipment is to work, unless the examination is then made by some other competent person authorized and appointed for that purpose by the mine foreman. If any explosive gas is found in the place, the electric equipment shall not be taken in until the gas is removed.
- (4) While the electric equipment is operating at the face, an examination for gas shall be made at not more than twenty (20) minute intervals. If gas is found in excess of one percent (1%), the power shall be disconnected from the equipment and left disconnected until the gas is removed and the place reported safe by a certified official.
- (5) Headlights shall be installed and maintained in a permissible and working order on all mobile and face equipment at all times the equipment is in operation.
- (6) Headlights shall be mounted to provide maximum illumination where it will be most effective and shall be protected from damage by guarding or locations.

The record shall clearly show the time taken in making the examination, the nature and location of any danger discovered in the mine, and what has been done to correct dangerous conditions. If any danger is discovered, the fire boss shall immediately report its location to the mine foreman, or in his absence to the assistant mine foreman in charge, who shall take immediate action to remove the danger. When a station is located inside a mine the fire boss shall enter and sign a report both in the record book kept there and in a record book in the mine office on the surface. The record books of the licensee shall at all times during working hours be accessible to the mine inspector and the miner or his representative.

Section 25. KRS 352.310 is amended to read as follows:

Any fire boss who fails to perform his duties, or who makes a false report of the condition of any place in the portion of the mine allotted to him for examination, shall be suspended by the mine foreman, and his name shall be given to the mine inspector for prosecution. If he is found guilty by the board, he shall return his certificate of qualification ~~as fire boss~~ to the department.

Section 26. KRS 352.320 is amended to read as follows:

- (1) All commercial coal mines shall employ a certified mine foreman therein to properly carry out the plans and rules when approved by the commissioner of the department and to be responsible for compliance with the provisions of KRS Chapter ~~Chapters~~ 351 and this chapter ~~352~~.

2000 Regular Session

- (2) When the mine workings become so extensive that the mine foreman is unable personally to carry out the duties required of him by law, the operator or superintendent shall employ a sufficient number of persons holding suitable certificates of qualifications to act as assistants to the mine foreman, and under his instructions.

Section 27. KRS 352.340 is amended to read as follows:

The mine foreman or his assistants shall visit and carefully examine each working place in the mine at least every four (4) hours ~~or oftener~~ while the mine employees are at work. He shall examine as live workings, on regular inspections, all places in live sections that are temporarily abandoned. If the mine foreman finds any place to be in a dangerous condition, he shall not leave the place until it is made safe, or until the employees working therein are removed until the place is made safe. He shall see that every mine liberating explosive gas is kept free of standing gas in all working places and roadways, and that all accumulations of explosive or noxious gases in the worked-out or abandoned portions of any mine are removed as soon as possible after discovery. He shall ensure that all preshift examinations are conducted by a certified person and that examinations of conveyor belts have been conducted. He shall not allow any person who may be endangered by the presence of explosive or noxious gases to enter that portion of the mine until the gases have been removed. He shall direct and see that all dangerous places and the entrances to worked-out and abandoned places in all mines are properly barricaded across the openings, so that no person will enter, and that danger ~~signs~~signals are posted upon the barricade to warn persons of existing danger. He shall give prompt attention to the removal of all dangers reported to him by his assistants, the fire boss or any person working in the mine, and if it is impracticable to remove the danger at once he shall notify every person whose safety is menaced thereby to remain away from the portion where the dangerous condition exists. He or his assistants, fire bosses, or other certified persons shall, at least once every week, travel and examine all air courses, escapeways, seals on the return, roads, and openings that give access to old workings or pillar falls, and make a record of the condition of all places where danger has been found. The record shall be made with ink ~~or indelible~~ pencil in the record book provided for that purpose.

Section 28. KRS 352.350 is amended to read as follows:

- (1) The mine foreman shall notify, in writing, the licensee~~operator~~ or superintendent of the mine of his inability to comply with any of the requirements of the mining laws, and the licensee~~operator~~ or superintendent shall at once attend to the matter complained of by the mine foreman so as to enable him to comply with the mining laws.
- (2) The mine foreman shall each day enter and sign plainly with ink ~~or indelible pencil~~, in a book provided for that purpose, a report of the condition of the mine. The report shall clearly state any danger that comes under his observation during the day or is reported to him by his assistants or by the fire bosses, and shall state what action was taken to correct such danger, whether or not there is a proper supply of material on hand for the safe working of the mine, and whether or not the mining laws are being complied with. The mine foreman shall each day read carefully, and countersign with ink ~~or indelible pencil~~, all reports entered in the record book of the fire bosses.
- (3) The mine superintendent, mine foreman and assistant foreman shall be held jointly responsible for the immediate compliance with the provisions of KRS Chapter~~Chapters~~ 351 and this chapter~~[352]~~.

Section 29. KRS 352.400 is amended to read as follows:

- (1) The licensee of any mine may adopt special rules consistent with KRS Chapter~~Chapters~~ 351 and this chapter~~[352]~~ for the government and operation of his mine, and covering all the work pertaining thereto in and out of the mine. Before the rules are put into effect they shall be approved in writing by the commissioner. The rules, when adopted and approved in writing by the commissioner, shall be printed on cardboard in the language spoken by seventy-five percent (75%) or more of the employees at the mine, and shall be posted on a bulletin board or some other conspicuous place about the mine where they may be seen by the employees at the mine. Before the rules are so adopted, approved and posted, the representative of the employees at the mine shall be given a copy thereof, and be deemed to have agreed thereto, before the employees are required to obey the rules.
- (2) The mine rules shall be printed in a form prescribed by the commissioner.
- (3) The licensee shall furnish each employee a copy of the mine rules, and each employee shall sign a statement indicating his receipt of a copy of the rules and his agreement to comply with them.
- (4) The mine rules shall be included in the subjects taught during annual retraining of the mine's employees.
- ~~[(5) On or after April 9, 1996, if new mine rules require special safety equipment or protective clothing to be used or worn by the employees, the licensee shall provide the equipment or clothing to the miners at no cost to them.]~~

Section 30. KRS 352.410 is amended to read as follows:

- (1) Each superintendent shall, on behalf and at the expense of the operator, keep on hand at or within convenient distance of the mine, not to exceed 500 feet, a sufficient quantity of all materials and supplies required to preserve the safety of employees, as ordered by the mine foreman and required by law. If the superintendent cannot procure the necessary materials or supplies, he shall at once notify the mine foreman, who shall withdraw the men from the mine until the materials or supplies are received.
- (2) The superintendent shall, at least once each week, read and examine carefully and countersign all reports entered in the mine record book of the mine foreman.

- (3) The operator or superintendent shall cooperate with the mine foreman and other officials in the fulfillment of their duties under KRS ~~Chapter~~~~[Chapters]~~ 351 and this chapter~~[352]~~, and shall direct that the mine foreman and all other employees under him comply with the law, especially when his attention is called by the mine inspector or by the commissioner to any violations of the laws.
- (4) The superintendent shall keep on hand at the mine a supply of printed rules, notices, and record books required by this chapter. The superintendent shall see that rules, notices, and record books are delivered to the proper persons at the mine and are properly cared for, and that the rules and notices are posted in conspicuous places at or near the entrance to the mine and kept legible.

Section 31. KRS 352.430 is amended to read as follows:

- (1) The operator or superintendent of every mine shall furnish the mine inspector proper facilities for entering the mine and making examinations or obtaining information.
- (2) If any inspector discovers that any mine does not conform to the provisions of KRS ~~Chapter~~~~[Chapters]~~ 351 and this chapter in respect to the safety of employees, or that by reason of any defect or practice not specifically covered by these chapters in or about the mine, the lives or health of persons employed therein are endangered, he shall immediately issue an emergency order to the licensee or superintendent. If he deems it necessary for the immediate protection from imminent danger of bodily harm of the persons employed in the mine, he shall withdraw the men who may be endangered. If the entire mine is affected by the dangerous condition, all men shall be withdrawn and production shall be halted until all defects causing the imminently dangerous condition are corrected. If an imminent danger affects only a portion of the mine, the persons whose safety may be menaced thereby shall be withdrawn from the affected part of the mine and production halted in that area until the dangerous condition is corrected. However, where production is necessary to correct the unsafe condition, it shall be permitted to that extent, using only the necessary personnel. Production at the affected area of a mine from which men are withdrawn pursuant to this section may be resumed upon reinspection by a mine inspector and a finding by that inspector that the mine is no longer imminently unsafe.
- (3) In all emergency hearings, a departmental attorney, the Attorney General, the Commonwealth's attorney, or the county attorney of the judicial circuit or county in which the mine is situated shall appear for the Commonwealth~~[state]~~ and defend the action.

Section 32. KRS 352.460 is amended to read as follows:

If the operator or superintendent of any mine fails to furnish to the commissioner any map required by KRS 352.450 and 352.480, the commissioner may cause a correct survey and map of the mine or extensions thereof to be made at the expense of the owner, lessee or operator of the mine, and the cost of the map shall be recoverable from the owner, lessee or operator in the same manner as debts are recoverable by law. If at any time the commissioner has reason to believe that any map furnished under KRS 352.450 and 352.480 is materially incorrect, so that it will not serve the purpose for which it was intended, he may have a survey and map made or corrected, and the expense of making the survey, map or correction shall be paid by the owner, lessee or operator of the mine, or recovered in the same manner as debts are recoverable by law; but if the map furnished by the operator or superintendent is found to be correct, the expense of the survey and drafting of the map shall be paid by the Commonwealth~~[state]~~.

Section 33. KRS 352.470 is amended to read as follows:

- (1) The correctness of each map provided for by KRS 352.450 or 352.460 shall be certified only by a professional engineer~~or land surveyor~~ registered in Kentucky. KRS 322.290 requires registrants to practice only in areas of competence. The certification shall read as follows:

"I, the undersigned, hereby certify that this map is correct, shows to the best of my knowledge and belief all the information required by the mining laws of this Commonwealth~~[state]~~, and covers the period ending, ... Certifying Agent

Acknowledged before me, a, this day of

.....
SEAL"

- (2) The commissioner may reject any map as incomplete if its accuracy is not so attested.

Section 34. The following KRS sections are repealed:

- 351.128 Underground mine employing 2 to 25 persons required to employ person with first-aid training.
 351.195 Miners required to wear safety glasses.

The Committee Substitute to **HB 436** is as follows:

- (w) Power circuits in tipples, buildings, cleaning plants, etc., and all inside electrical circuits shall be deenergized when not in use over a long period; and
- (x) Where electric circuits cross over or pass under belt conveyors the wiring shall be protected by conduit.

(2) The following shall apply to surface installations:

- (a) High-voltage lines shall be at least twenty (20) feet above the ground where there is a possibility of contact by traffic passing underneath;
- (b) Protective barriers shall be so constructed between high-voltage wires and telephone wires, trolley circuits, and any other similar conveyor wires or circuits as to prevent their failure by the falling of the high tension lines across the other circuits, wires, or conveyors;
- (c) On four (4) wire circuits, the fourth or neutral wire terminating at transformers, or elsewhere, shall be of substantial construction to minimize any possibility of the wire being severed~~[cut in two (2)]~~ or damaged mechanically;
- (d) On low-voltage circuits, wires shall be supported on insulators except when cables made for use without insulators, which are of a design that can be safely used without insulators, are used;
- (e) Lightning arresters shall be installed on all circuits entering a mine, regardless of voltage. Overload protection and disconnect switches of sizes and ratings approved by the department shall also be provided;
- (f) Every metallic building in which electricity is used or connected with any circuit shall be effectively grounded;
- (g) All transformer tanks shall be effectively grounded;
- (h) Switch boxes, contactors, controllers, and all other similar devices shall be kept free of dust accumulations; and

- (b) The department may prescribe ~~any other~~ administrative regulations with respect to the aboveground or underground installations in connection with any mine operation when information is made available indicating that regulation is reasonably necessary to prevent injury to, or loss of, life and property.

Section 19. KRS 352.230 is amended to read as follows:

- (1) ~~[After June 16, 1972,]~~ All electrical equipment purchased for face use in underground mines shall be of the permissible type. The commissioner or his authorized representative shall reject any modification to mining equipment which would endanger the health or safety of employees.
- (2) No person shall be placed in charge of electrical face equipment in any mine unless he is a qualified person, capable of determining the safety of the roof, face, and ribs of the working places and detecting the presence of explosive gas ~~[where necessary]~~. Operators of electrical face equipment shall undergo an examination to determine their fitness to detect explosive gas before they are permitted to have charge of electric face equipment and shall have a minimum of forty-five (45) days of actual mining experience. Safety committeemen, shotfirers, and others whose duty may require them to make examination for gas shall undergo and pass an examination or possess a mine foreman's certificate before using a flame-safety lamp underground. The examination shall be given by the mine inspector, blank forms therefor to be furnished by the department. A copy shall be retained on file at the mine office and the original shall be sent to the department fully made out and signed by the applicant and approved by the mine inspector.

- (3) No electric face equipment shall be brought ~~in by~~~~[within the]~~ last breakthrough next to the working face until the equipment operator has made an inspection for explosive gas using a flame-safety lamp or other approved device or instrument in the place where the equipment is to work, unless the examination is then made by some other competent person authorized and appointed for that purpose by the mine foreman. If any explosive gas is found in the place, the electric equipment shall not be taken in until the gas is removed.
- (4) While the electric equipment is operating at the face, an examination for gas shall be made at not more than twenty (20) minute intervals. If gas is found in excess of one percent (1%), the power shall be disconnected from the equipment and left disconnected until the gas is removed and the place reported safe by a certified official.
- (5) Headlights shall be installed and maintained in a permissible and working order on all mobile and face equipment at all times the equipment is in operation.
- (6) Headlights shall be mounted to provide maximum illumination where it will be most effective and shall be protected from damage by guarding or locations.
- (7) At all times when mining equipment is being used, it shall be maintained in safe working order.

Section 20. KRS 352.260 is amended to read as follows:

- (1) Any operator of a mine shall designate only certified persons as shotfirers to prepare the cartridge and set off and discharge the shots.
- (2) Shotfirers shall at all times be under the direction of ~~a certified~~~~[the]~~ mine foreman.
- (3) The following conditions apply when shooting coal from the solid:
 - (a) ~~All licensees~~~~[After July 15, 1982, all coal mine operators]~~ engaged in shooting coal from the solid shall submit an application for a permit to the commissioner on a form prescribed by the department.
 - (b) Before said permit is issued by the commissioner he shall have an investigation conducted of the mine to determine the adequacy of the proposed solid blasting plan in complying with KRS Chapter 351 and this chapter~~[all state laws]~~ and administrative regulations applicable to blasting coal in an underground mine~~[coal]~~.
 - (c) The mine inspector shall have the authority to stop production at the mine by the issuance of a closure order to any operator who fails to obtain a permit when shooting coal from the solid.

- (5) When shooting coal from the solid, not more than two (2) adjacent openers or cut holes shall be primed with detonators having the same delay period. The nominal delay intervals between the succeeding rows of horizons shall not be less than fifty (50) milliseconds nor more than one hundred (100) milliseconds.

Section 21. KRS 352.290 is amended to read as follows:

A suitable record book shall be kept at the mine office of every mine wherein fire bosses are employed, and immediately after the examination of the mine or any portion thereof, by a fire boss, he shall enter and sign a record of the examination in the book with ink~~[or indelible pencil]~~. The record shall clearly show the time taken in making the examination, the nature and location of any danger discovered in the mine, and what has been done to correct dangerous conditions. If any danger is discovered, the fire boss shall immediately report its location to the mine foreman, or in his absence to the assistant mine foreman in charge, who shall take immediate action to remove the danger. When a station is located inside a mine the fire boss shall enter and sign a report both in the record book kept there and in a record book in the mine office on the surface. The record books of the licensee shall at all times during working hours be accessible to the mine inspector and the miner or his representative.

Section 22. KRS 352.310 is amended to read as follows:

Any fire boss who fails to perform his duties, or who makes a false report of the condition of any place in the portion of the mine allotted to him for examination, shall be suspended by the mine foreman, and his name shall be given to the mine inspector for prosecution. Section 23. KRS 352.320 is amended to read as follows:

- (1) All commercial coal mines shall employ a certified mine foreman therein to properly carry out the plans and rules when approved by the commissioner of the department and to be responsible for compliance with the provisions of KRS Chapter~~[Chapters]~~ 351 and this chapter~~[352]~~.
- (2) When the mine workings become so extensive that the mine foreman is unable personally to carry out the duties required of him by law, the operator or superintendent shall employ a sufficient number of persons holding suitable certificates of qualifications to act as assistants to the mine foreman, and under his instructions.

Section 24. KRS 352.340 is amended to read as follows:

The mine foreman or his assistants shall visit and carefully examine each working place in the mine at least every four (4) hours~~or oftener]~~ while the mine employees are at work. He shall examine as live workings, on regular inspections, all places in live sections that are temporarily abandoned. If the mine foreman finds any place to be in a dangerous condition, he shall not leave the place until it is made safe, or until the employees working therein are removed until the place is made safe. He shall see that every mine liberating explosive gas is kept free of standing gas in all working places and roadways, and that all accumulations of

explosive or noxious gases in the worked-out or abandoned portions of any mine are removed as soon as possible after discovery. He shall ensure that all preshift examinations are conducted by a certified person and that examinations of conveyor belts have been conducted. He shall not allow any person who may be endangered by the presence of explosive or noxious gases to enter that portion of the mine until the gases have been removed. He shall direct and see that all dangerous places and the entrances to worked-out and abandoned places in all mines are properly barricaded across the openings, so that no person will enter, and that danger ~~signs~~~~[signals]~~ are posted upon the barricade to warn persons of existing danger. He shall give prompt attention to the removal of all dangers reported to him by his assistants, the fire boss or any person working in the mine, and if it is impracticable to remove the danger at once he shall notify every person whose safety is menaced thereby to remain away from the portion where the dangerous condition exists. He or his assistants, fire bosses, or other certified persons shall, at least once every week, travel and examine all air courses, escapeways, seals on the return, roads, and openings that give access to old workings or pillar falls, and make a record of the condition of all places where danger has been found. The record shall be made with ink~~[or indelible]~~ pencil in the record book provided for that purpose.

Section 25. KRS 352.350 is amended to read as follows:

- (1) The mine foreman shall notify, in writing, the ~~licensee~~~~[operator]~~ or superintendent of the mine of his inability to comply with any of the requirements of the mining laws, and the ~~licensee~~~~[operator]~~ or superintendent shall at once attend to the matter complained of by the mine foreman so as to enable him to comply with the mining laws.
- (2) The mine foreman shall each day enter and sign plainly with ink~~[or indelible pencil]~~, in a book provided for that purpose, a report of the condition of the mine. The report shall clearly state any danger that comes under his observation during the day or is reported to him by his assistants or by the fire bosses, and shall state what action was taken to correct such danger, whether or not there is a proper supply of material on hand for the safe working of the mine, and whether or not the mining laws are being complied with. The mine foreman shall each day read carefully, and countersign with ink~~[or indelible pencil]~~, all reports entered in the record book of the fire bosses.
- (3) The mine superintendent, mine foreman and assistant foreman shall be held jointly responsible for the immediate compliance with the provisions of KRS ~~Chapter~~~~[Chapters]~~ 351 and ~~this chapter~~~~[352]~~.

Section 26. KRS 352.400 is amended to read as follows:

- (1) The licensee of any mine may adopt special rules consistent with KRS ~~Chapter~~~~[Chapters]~~ 351 and ~~this chapter~~~~[352]~~ for the government and operation of his mine, and covering all the work pertaining thereto in and out of the mine. Before the rules are put into effect they shall be approved in writing by the commissioner. The rules, when adopted and approved in writing by the commissioner, shall be printed on cardboard in the language spoken by seventy-five percent (75%) or more of the employees at the mine, and shall be posted on a bulletin board or some other conspicuous place about the mine where they may be seen by the employees at the mine. Before the rules are so adopted, approved and posted, the representative of the employees at the mine shall be given a copy thereof, and be deemed to have agreed thereto, before the employees are required to obey the rules.
- (2) The mine rules shall be printed in a form prescribed by the commissioner.
- (3) The licensee shall furnish each employee a copy of the mine rules, and each employee shall sign a statement indicating his receipt of a copy of the rules and his agreement to comply with them.
- (4) The mine rules shall be included in the subjects taught during annual retraining of the mine's employees.

~~[(5) On or after April 9, 1996, if new mine rules require special safety equipment or protective clothing to be used or worn by the employees, the licensee shall provide the equipment or clothing to the miners at no cost to them.]~~

Section 27. KRS 352.410 is amended to read as follows:

- (1) Each superintendent shall, on behalf and at the expense of the operator, keep on hand at or within convenient distance of the mine, not to exceed 500 feet, a sufficient quantity of all materials and supplies required to preserve the safety of employees, as ordered by the mine foreman and required by law. If the superintendent cannot procure the necessary materials or supplies, he shall at once notify the mine foreman, who shall withdraw the men from the mine until the materials or supplies are received.
- (2) The superintendent shall, at least once each week, read and examine carefully and countersign all reports entered in the mine record book of the mine foreman.
- (3) The operator or superintendent shall cooperate with the mine foreman and other officials in the fulfillment of their duties under KRS ~~Chapter~~~~[Chapters]~~ 351 and ~~this chapter~~~~[352]~~, and shall direct that the mine foreman and all other employees under him comply with the law, especially when his attention is called by the mine inspector or by the commissioner to any violations of the laws.
- (4) The superintendent shall keep on hand at the mine a supply of printed rules, notices, and record books required by this chapter. The superintendent shall see that rules, notices, and record books are delivered to the proper persons at the mine and are properly cared for, and that the rules and notices are posted in conspicuous places at or near the entrance to the mine and kept legible.

Section 28. KRS 352.430 is amended to read as follows:

- (1) The operator or superintendent of every mine shall furnish the mine inspector proper facilities for entering the mine and making examinations or obtaining information.
- (2) If any inspector discovers that any mine does not conform to the provisions of KRS ~~Chapter~~Chapter 351 and this chapter in respect to the safety of employees, or that by reason of any defect or practice not specifically covered by these chapters in or about the mine, the lives or health of persons employed therein are endangered, he shall immediately issue an emergency order to the licensee or superintendent. If he deems it necessary for the immediate protection from imminent danger of bodily harm of the persons employed in the mine, he shall withdraw the men who may be endangered. If the entire mine is affected by the dangerous condition, all men shall be withdrawn and production shall be halted until all defects causing the imminently dangerous condition are corrected. If an imminent danger affects only a portion of the mine, the persons whose safety may be menaced thereby shall be withdrawn from the affected part of the mine and production halted in that area until the dangerous condition is corrected. However, where production is necessary to correct the unsafe condition, it shall be permitted to that extent, using only the necessary personnel. Production at the affected area of a mine from which men are withdrawn pursuant to this section may be resumed upon reinspection by a mine inspector and a finding by that inspector that the mine is no longer imminently unsafe.
- (3) In all emergency hearings, a departmental attorney, the Attorney General, the Commonwealth's attorney, or the county attorney of the judicial circuit or county in which the mine is situated shall appear for the Commonwealth~~(state)~~ and defend the action.

Section 29. KRS 352.460 is amended to read as follows:

If the operator or superintendent of any mine fails to furnish to the commissioner any map required by KRS 352.450 and 352.480, the commissioner may cause a correct survey and map of the mine or extensions thereof to be made at the expense of the owner, lessee or operator of the mine, and the cost of the map shall be recoverable from the owner, lessee or operator in the same manner as debts are recoverable by law. If at any time the commissioner has reason to believe that any map furnished under KRS 352.450 and 352.480 is materially incorrect, so that it will not serve the purpose for which it was intended, he may have a survey and map made or corrected, and the expense of making the survey, map or correction shall be paid by the owner, lessee or operator of the mine, or recovered in the same manner as debts are recoverable by law; but if the map furnished by the operator or superintendent is found to be correct, the expense of the survey and drafting of the map shall be paid by the Commonwealth~~(state)~~.

Section 30. KRS 352.470 is amended to read as follows:

- (1) The correctness of each map provided for by KRS 352.450 or 352.460 shall be certified only by a professional engineer or land surveyor registered in Kentucky. KRS 322.290 requires registrants to practice only in areas of competence. The certification shall read as follows:

"I, the undersigned, hereby certify that, to the best of my knowledge and belief, this map is correct, and that shows to the best of my knowledge and belief all the information required by the mining laws of this Commonwealth are set out within~~(state)~~, and covers the period ending, ... Certifying Agent

Acknowledged before me, a, this day of

.....
.....SEAL"

- (2) The commissioner may reject any map as incomplete if its accuracy is not so attested.

Section 31. The following KRS sections are repealed:

(b) In the case of a knowing violation, be required within fifteen (15) days to place such funds into escrow as shall bring it into compliance with this section. The court, upon a finding of a knowing violation of subsection (1)(b) or (2) of this section, may impose a civil penalty (to be paid to the general fund of Kentucky) in an amount not to exceed fifteen percent (15%) of the amount improperly withheld from escrow per day of the violation and in a total amount not to exceed three hundred percent (300%) of the original amount improperly withheld from escrow; and

(whether directly or through a distributor, retailer, or similar intermediary) for a period not to exceed two (2) years.

Each failure to make an annual deposit required under this section shall constitute a separate violation.
